"The Go Getter," by Peter B. Kyne.

LIBERTY
"Westbound Limited."

GRAND
"The Hottentot."

BLIGH
Four acts Vaudeville, "The Gray Dawn," and "Snooky," the humanzee.

A terrific hand to hand fight in an engine cab with the train thundering along at express rate speed is one of the many spectacular features in "Westbound Limited," Emory Johnson's colossal drama of railroad life, which is now showing at the Liberty theater.

The terrific struggle showing the attack by a fireman on the faithful and unsuspecting engineer and the latter's splendid defense to save the hundreds of passengers hiding in the sleeping cars behind from death, as the train approaches a yawning chasm, forms one of the most vitally thrilling episodes that has ever been shown on the screen.

"All my life I've been afraid of horses," says the man who rides "The Hottentot" to victory in a dangerous race. He feels horses more than anything else and still he wins in one of the most exciting spectacles ever filmed. He wins both the race and the girl in the case. And he does it on sheer nerve.

Everyone thrills to deeds that dare to cheery courage. And that is one reason why everyone will love the character of Sam Harrington in "The Hottentot," Thomas H. Ince's comedy drama at the Grand theater.

Seena Owen narrowly escaped serious injury when she was accidentally struck by the wing of a Curtiss aeroplane during the filming of a scene for "The Go Getter," a Cosmopolitan production for Paramount, which is now on view at the Oregon theater.

The accident occurred at the International Studio in New York during the filming of an aerial scene for the picture. For this scene a regulation aeroplane had been set up in the studio under the direction of William J. MacMillan, assistant manager at the Curtiss Aviation field, Mineola, Long Island.

As the huge plane was being lowered on some cables it swerved towards Miss Owen, and one of the wings struck her before she could dodge. The actress was temporarily stunned and Director E. H. Griffith and several of the members of the company rushed to her aid. Fortunately, however, the blow was only a glancing one, and the actress was not seriously injured. She was removed to her home, however, but was ready to resume her work on the following day.

A famous author and a noted producer combined to produce "The Gray Dawn," today at the Bligh theater, namely, Stewart E. White and Benjamin B. Hampton. "The Gray Dawn" equals "The Westerners" in its rich western setting, and surpasses "The Killer" in its virile drama and stirring action. Both of these successes represented the combined genius of author and producer.

From the opening scene to the final "fade-out" "The Gray Dawn" is replete with the realism, the true-to-life characters and the entertaining touches which are so characteristic of a Benjamin B. Hampton production.

The story, which bears the

strong dramatic imprint of its author's widely recognized ability as a narrator, depicts San Francisco's picturesque period of 1856, directly after the gold rush.

The first of a new series of picture stage successes will be shown here on Monday and Tuesday at the Bligh theater when "More to Be Fitted Than Scorned" will be presented.

This screen version of Charles E. Blaney's tremendous stage success of the same name will feature the ever popular J. Frank Glendon, Allee Lake, Rosemary Theby and little Josephine Adair. "More to Be Fitted Than Scorned" is a powerful drama of real life, as all the old spoken dramas were, and it is presented with scenic lavishness which is fully worthy of the wonderful cast of players.

Most of the thrills are the thrills of the heart which every woman will recognize and every man will understand, but there are scenes of real gripping action when you will hold your breath longer than you would believe possible.

DIPLOMAS GIVEN TO FORTY-TWO

Silverton Seniors Present Traveling Bags to Youel and Tschantz

SILVERTON, Ore., June 8.—(Special to the Statesman.)—The largest class ever to be graduated from the Silverton high school received its diplomas Thursday evening. The class consisted of 42 members, 20 girls and 22 boys.

The class also had the distinction of being the first class at Silverton to receive its diplomas from the hand of a woman. Mrs. Ernest Palmer, chairman of the Silverton school board, presented them. An amusing feature of the evening was the presentation of the two traveling bags by the members of the class. Superintendent, B. T. Youel was the recipient of one while principal T. Tschantz received the other.

It is understood that due to the school board disagreement that neither of the men will return to Silverton. Both Mr. Tschantz and Mr. Youel responded, speaking of the appropriateness of the gifts.

J. A. Churchill, state superintendent of schools, was the chief speaker of the evening. Other numbers on the program consisted of American Legion orchestra selections; invocation by Rev. S. J. Lindseth; vocal solo by Miss Beryl Smith; representative of class of 1923, Miss Grace Linn; violin solos by Iva Claire Love; representative of class of 1922, Almon Balch; vocal solos by Miss Henrietta Finseth; address by superintendent Youel. Miss Linn spoke
