FIGHT FLASHES

LONGVIEW, Wash., July 4.—Joe Gorman, Portland, and Mike DePinto, Seattle, fought six rounds to a draw here today. Freddie Anderson, Vancouver, Wash., knocked Mysterious Billy Smith Jr., Portland, out in the third round. Joe Bellew, Seattle, did the same to Jack Calvert, Tacoma.

MICHIGAN CITY, Ind., July 4.—Financial troubles somewhat similar to those confronting the Dempsey-Gibbons match served to some extent as the cause for calling off the fight between Lew Tendler of Philadelphia and Sailor Freedman of Chicago here today. Rain put the final touch to the matter.

Despite the fact that the arena was more than half filled and that it was announced previous to the first preliminary that 15,000 persons passed through the gates, not enough money was on hand to fulfill the guarantee made to Tendler of \$15,000, win, lose or draw.

OAKLAND, Cal., July 4.—Bert Colima of Los Angeles and Jimmy Duffy of Oakland boxed four rounds to a draw here this afternoon in a bout which was advertised as involving the Pacific coast welterweight championship.

SAND POINT, Ida., July 4.—Bud Ridley of Sand Point, won from Danny Nunes of Oakland on a foul in the eleventh round of their scheduled twelve round fight here this afternoon. The contest had been announced as involving Nunes' Pacific coast featherweight title. Ridley claimed that he was hit below the belt soon after the eleventh round opened.

CASPER, Wyo., July 4.—After battling nine rounds in a pouring rain, Midget Smith, New York bantam, was awarded the decision over Frankie Jummati of Chicago. The men were scheduled to box 12 rounds but had agreed to fight as long as the weather permitted and then abide by the referee's decision.

NEW YORK, July 4.—(By Associated Press.)—Tex Rickard announced tonight that he will start negotiations at once to match Jack Dempsey with the winner of the Luis Firpo-Jess Willard bout for a world's title fight, probably at Boyle's Thirty Acres, Jersey City, in September or October.

PORTLAND; VERNON DIVIDE TWO GAMES

In Second Contest Ping Bodie Drives Ball Over Fence in Seventh

PORTLAND, July 4.—Portland broke even with Vernon in two games here today, winning the morning game 8 to 7 in 11 innings and dropping the afternoon contest 7 to 3. The morning game was a free-hitting affair. Portland pounded out 13 hits off three Vernon pitchers while Schroeder, who went the entire distance for the Beavers, was nicked for 17 safe bingles.

Ping Bodie clinched the second game for the visitors in the seventh inning when he drove a home run over the right field fence sending two runners across ahead of him. The score was tied at one all up to the seventh.

Oakland 16-2; Seattle 5-6
 SEATTLE, July 4.—After losing 15 to 5 to Oakland in the Pacific coast baseball league here today, Seattle took a second game 6 to 2. A large holiday crowd saw wine performances. In the first game Sheriff Blake was batted from the box by the Oaks, and his successor, Vic Pigg, did no better, the visitors getting 21 hits. In the second game the situation was reversed. Arlett, replacing Murchio for Oakland and both being hit hard. Burger tossed airtight ball for Seattle in ninth contest.

Angels 9-3; Salt Lake 5-1
 LOS ANGELES, July 4.—Los Angeles made it a rollicking fourth by taking both morning and afternoon games from Salt Lake today 9 to 5 and 3 to 1, respectively. In the morning contest the Angels led off in the first inning with three runs, added another in the seventh and bombarded Coube for five more in the eighth. Griggs' homer in the fourth frame with one man on was the feature of the afternoon game, his circuit clout clinching the game for the Angels. Doc Crandall pitched airtight ball for Los Angeles except in the fifth inning, when the Bees converted a single and a double into their only run.

Pacific 5-1; Sacramento 1-6
 SAN FRANCISCO, July 4.—Sacramento and San Francisco divided a doubleheader here today. The Seals won the morning game 5 to 1 and the Senators retained in the afternoon 6 to 1. Huxlow, Senators' morning pitcher, weakened in the seventh in-

In the afternoon the Senators outthrew and outfielded the Seals. Mitchell of the Seals proved wild and erratic. He was replaced by Hodge in the seventh. Mitchell passed McGinnis in the sixth in an effort to retire Thompson who pounded out a single and scored two men.

RACING CLASSIC WON BY HEARNE

(Continued from page 1.)
 The exceedingly fast pace soon began to tell on both cars and drivers, and they began dropping out of the race one by one, and after the 144th lap only five remained. The gruelling speed at which the cars were pushed was too great a strain on the little motors, according to drivers.

Hearne took \$9,000 as the prize. Earl Cooper won \$4,000 for second, Harlan Fengler \$2500, and Dave Lewis \$1750.

Hearne, who was fifth in the national rating with 392 points, added 500 to his total and placed second to Jimmy Murphy.

PORTLAND RACER WINS

SPOKANE, July 4.—Husky "Tip" Bloom of Portland carried off the principal honors of the American legion auto races at the interstate fair grounds today. Bloom took first in the mile race against time, first in the 15-mile race, and first in the 25-mile tree-for-all. J. Waldron of Spokane took first in the only other race, the five-mile for bugs only.

Only one accident marred the day. Johnny Klee, driving one of "Doc" Hahn's "jinxed" cars, went through the fence almost at the start of the 15-mile race, suffering cuts and bruises which are not considered serious. The crowd was estimated at 8,000.

Children attending the celebration were made happier when Mayor L. C. Eastman gave away 1900 toy gas balloons at the noon hour.

For the benefit of the women as a rest room the Loyal Legion members gave over the use of their hall, which added much to the pleasure of the day.

GARDNER
The Guaranteed Cool

Evenly Cooled by Thermo Syphon

THERMO-SYPHON
 cooling is "natural" cooling—a system under which the water circulates around the cylinders as your motor warms to its work.

The Gardner Four is cooled by thermo-syphon—first because it is an efficient principle; and second because it is simple, without the complex machinery of a pump.

Thermometer tests show that the Gardner, after the most gruelling run, maintains an absolutely even temperature at all cylinders.

This feature contributes largely not only to the efficient performance of your motor, but to its long life.
