## LIGHTWEIGHTS ARE READY FOR MATCH

### Leonard and Tendler Complete Training for Title Bout on Monday

NEW YORK, July 19.—Benny Leonard, world's lightweight champion, and Lew Tendler, his challenger in a 15-round title match at the Yankee stadium next Monday night, have reached the peak of condition, according to word received today from the rival quarters. They will have only little workouts tomorrow and Saturday before breaking up camp to rest up for the battle.

Leonard, putting the finishing touches to his four weeks of training at Tannersville, N.Y., has announced he was down to the lightweight, 135 pounds. Critics had believed the champion, because of his comparative inactivity last summer, would have trouble making the weight, it being recalled that he was only once under 135 pounds when he outpointed Tendler in a spectacular fight a year ago at Boyle's Thirty Acres.

Tendler has done his training at Delanco, N.J., and is declared to be showing exceptional form.

## BASEBALL PITCH PLAYGROUND SPORT

### Joe Nusbaum First in Contest Yesterday; Hageman, Suing Second

Hollis Huntington, playground director, is running an interesting contest among the boys in baseball pitching. He is using the old YMCA baseball dummy which is a stand made about six feet high and the width of the plate. The hole of which corresponds to about the same as a strike ball. Quite a number of boys were trying out yesterday afternoon. Each boy was given 10 throws. The winners for yesterday were Joe Nusbaum, first, with 6 out of 10 and Charles Hageman and Elmer Suing tied for second place with 5 out of 10.

A chin-up contest was also held for boys under 12. Fred Hageman of Garfield was the winner with 8. Ross Freeman of Highland with 7, was second, and Robert Myers with 6 was third. The chin-up for boys from 12 to 14 was won by Fred Smith, 10 times; Vern Rineman, 8 times, and Lloyd Gilmer 6 times. Mr. Huntington will also have a contest this afternoon for the basketball throw from the foul line, and continue the pitcher contest.

upper parts would have had to be removed if it had been tampered with.

**In Air 13 Hours**

It was fifteen hours, to the minute, when he landed at Rock Springs, from the time he took off at Mitchell Field, at 4:08 a.m., eastern Standard time this morning. The three stops which he made at Dayton, St. Joseph and Cheyenne had consumed 1 hour and 51 minutes. Officials of the United States air mail service here estimated that Maughan had made an average speed of 155 miles an hour during his flight. He was in the air a total of 13 hours and nine minutes.

### Banqueters Gloomy

Mitchell Field, N. Y., June 19.—Gloom overspread the army post tonight. Officers who had gathered at a Long Island hotel for a banquet where they expected to drink a toast to the success of their comrade, returned slowly to the field. They made no effort

## RIFLE RANGE IS PROBABLE HERE

### Efforts Now Being Made to Accommodate Marksmen Nearer Home

Efforts are to be renewed for the securing of a rifle range for the use of the Salem military units near enough Salem to make it possible for the boys to get readily adequate shooting. Now, they have to go to Dallas, 16 miles where there is an excellent 600-yard range, or to the state range at Clackamas, about 37 miles, where there is a range for 1000 yards. Because of the time required to reach these various

grounds the Salem troops are especially badly served in the way of target practice.

The state shoot, to select the rifle team that is to go to Camp Perry for the national shoot, will be held soon at the Clackamas range. Salem will send a delegation, who will be chosen in competitive preliminary matches. From the best in the state, the Oregon team will be chosen to go to the great national meet in September.

### Silverton-Pine Tree Paving Now Complete

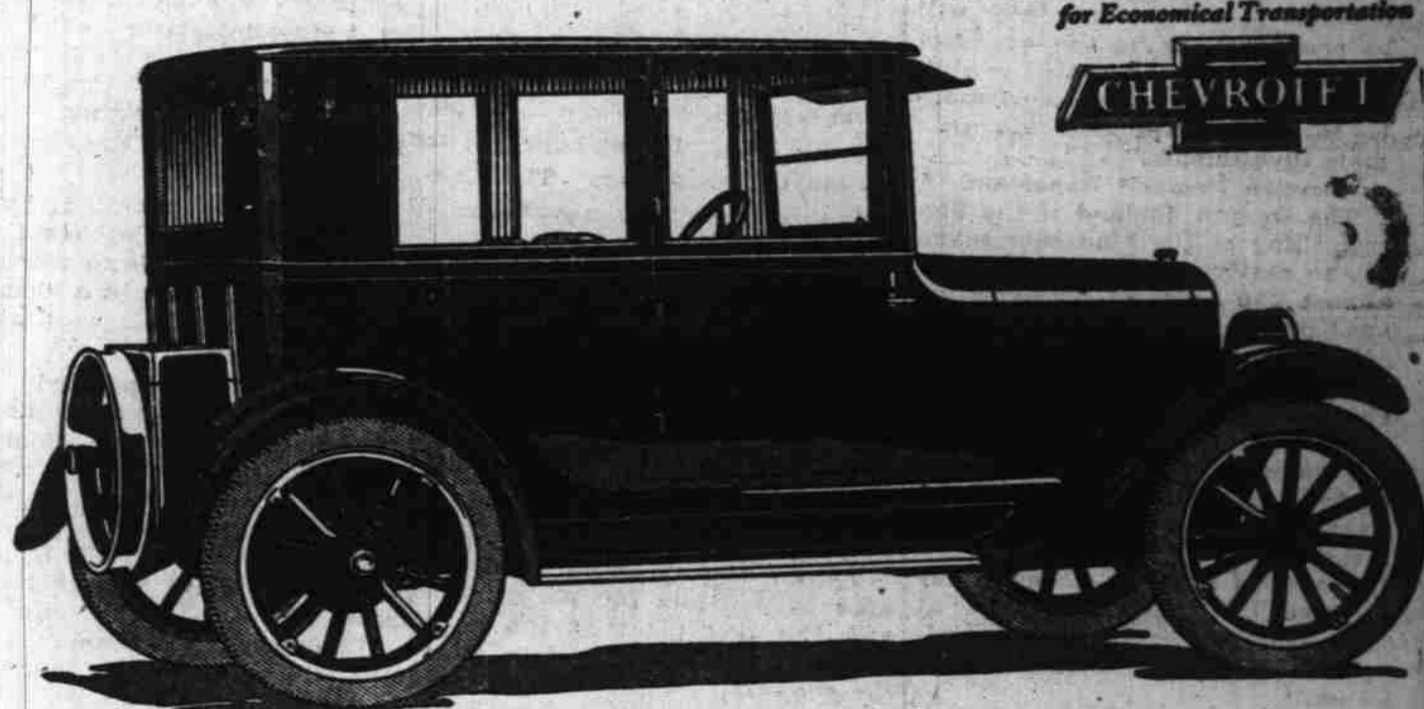

Paving between Silverton and the Pine Tree corner was completed yesterday. Commissioner J. T. Hunt reported. Work of paving between Bethany and Mount Angel was started yesterday morning, and will be pushed as rapidly as possible.

During the past week or two a bridge crew has been repairing the Clear Lake bridge, damaged by the high waters of last fall. This work was completed yesterday and the bridge has now been opened to travel. The bridge is about 400 feet in length.

Two bridges near the Steele place, near Abiqua, are being constructed, the county bridge crew

having moved there after the completion of the work at Clear Lake. Another bridge to be constructed of concrete and about 16 feet in length is being planned for the Dick Swarts place.

The Stayton paving plant, which supplies the hot stuff for the work on the Macleay-Shaw paving, is working at capacity and about a quarter mile of the three-mile stretch has been surfaced.
