The work was done between April 12 and May 4, they declare, but they have received no pay. A lien was filed against the property, but they claim that Lena Mansfield has some right or interest to the crops now growing. In addition they ask that their lien be declared a first lien and superior to that held by Lena Mansfield.

SILVERTON WILL ENTERTAIN VETS

Midsummer Session of Association to Convene Thursday; All Prepared

The midsummer session of the Marion County Veterans' association is to convene in Silverton Thursday in what the members are expecting to make one of the best meetings of their history. The oldest members of the association, the Grand Army Veterans, are passing rapidly, but as the organization is open to all patriotic orders and to patriots not otherwise affiliated, the membership never needs to run low. This year they expect to give the old vets a real time.

The stages are to leave Salem at 9 to 9:15, and the meeting will call to order at 10:30. The dinner will be served at noon. The session is to be held in the Knights of Pythias hall in Silverton that the lodge has just leased for 20 years, free of all charge to the Grand Army and the Women's Relief corps for all their patriotic meetings. An elaborate entertainment program has been prepared by the Silverton people, and the guests won't have a thing to do but enjoy it. The stages will return at a little after 4 o'clock, after the close of the day's program.

Officers are to be elected for the ensuing official period. Gideon Stolz of Salem is president, and Mrs. Norma Terwilliger secretary, for the present meeting. The next session will be held in Salem in December.

An invitation is extended to all patriotic Americans to join in and make the association even bigger and stronger than it has been in the past. Visiting guests are requested to bring their basket lunches for the big dinner spread.

BOY SCOUTS OFF TO CAMP TODAY

Fifty-Two Listed for Journey to Cascades—Good Supervision Provided

Salem will have no more Boy Scouts than the proverbial rabbit for the next two weeks. At least none of the Scouts with the price for the annual summer camp.

They leave this morning, 52 of them, for their famous camping grounds, Camp Cascades, at Cascadia. Some of the cars will leave Salem as early as 6:30 with the first detachment of the workers who will get the dinner ready. The camp was established last week, and is in readiness for their coming, but the actual dinner will be prepared by today's first-comers. The last car will leave at about 9 o'clock. They expect to sit down to dinner at about 1:30.

The road is 70 miles long, and they travel by car and truck. Cars have been donated by A. D. Zinsler, Ellis Purvine, B. E. Sisson, Dr. Fairchilds and M. L. Meyers. The boys who do not ride with these will go by a state highway truck.

They are to camp two weeks. There will be only the one detachment, instead of two sessions as they have had some other years. They will have "Billy" Sisson's two-stage radio set that will put them in touch with concerts at least as far off as Los Angeles and Denver, and under good weather conditions will pick up concerts from all over the United States. Their camp is
