SILVERTON BOY LOSES IN BOUT

Ronald Hobbs Defeated at Camp Lewis By Farrell of Anacortes

CAMP LEWIS, Wash., Aug. 2.—Owing to the large number of young men who have signified their intention of trying for the championship medals for boxing in the various classes at the citizens' military training camp this year, it will be necessary to hold elimination bouts three nights weekly during the entire month of the camp.

The first of these elimination tournaments was held last night with the following results:

Flyweights—Darrell Wilson of Company B, Puyallup, Wash., won the decision over Fred Gysin of Tacoma, also from Company B.

Featherweights—Robert Farrell, Company C, Anacortes, won from Ronald Hobbs of Silverton, representing Company D.

Lightweights—Arthur Tramas of Seattle Company A won from James Wilson of Mt. Vernon, representing Company C.

Ray Williams of Eatonville, Wash., won for Company B from Thomas Dolaney of Tacoma, representing Company B.

Welterweights—Lloyd Larum of Enumclaw, Wash., Company E, won from Donald Beith of Joseph, Or., representing Company D.

Middleweights—John Goodpaster of McCleary, Wash., Company B, won from Lonnie Phelps of Rosalia, Wash., representing Company H.

Wrestling—Genio Hinaglia of Seattle, 124 pounds, won from Vernon Johnson of Joseph, Or., 125 pounds, by decision in two rounds; no falls being registered.

All of the bouts were fast and were especially good considering the short time allowed for preparation and the large number of sore arms among the contestants due to inoculation and vaccination.

Officials for the tournament were: Referee, Captain Skinner; Judges, Captain Bent and Chaplain Lane; timekeeper, Lieutenant Mayer.

Future tournaments will be held each Monday, Tuesday and Thursday evenings at 7 p. m. and the public is invited. A band concert will be a part of the program. The Tenth field artillery band playing each night this week and the Seventh infantry band next week.

Believed Battle Won
The chief executive of the United States and by virtue of his office and personality one of the world's leading figures, passed away at the time when his physicians, his family and his people thought that medical skill, hope and prayer, had won the battle against disease.

The disease had been conquered, the fire was out, but seven days of silent, though intense suffering had left their marks and a stroke of apoplexy came without an instant's warning and before physicians could be called, members of his party summoned, or remedial measures taken, he passed from life's stage after having for nearly two and a half years served his nation and for many more years his native state of Ohio.

LURID FILMS ARE BAD ADVERTISING

Europeans Said to Have Erroneous Ideas of American Activities

LONDON, Aug. 1.—Europeans entertain curious notions about life in the United States. Many of them get their impressions from American moving pictures, which feature train robberies, bank hold ups, social scandals, shooting affrays, exciting automobile episodes, and other equally sensational things.

"From personal observation of American films in British cinemas," says a writer in the London Evening News, "we reach the conclusion that America is a large country entirely surrounded by sin and sentiment. It is inhabited in the east by unscrupulous, but enormously successful, business

**Tears Amiss in Business,
Says Alice MacDougall**

NEW YORK, Aug. 2.—Women to succeed in business must learn to dress comfortably without losing the charm of their sex, and to take correction from the boss without weeping, according to Mrs. Alice Foote MacDougall New York business woman.

Mrs. MacDougall, who predicted recently that within a century women will be "doing all the business," said that the observance of a few simple rules would hasten the time when they would take over such control. Other suggestions were:

"Discuss abstract questions without making personal application of everything that is said.

"Stick to agreements without squirming if you are getting the worst of it.

"Say 'no' at the right time."
