Big Grades are Made By Marion County Students OREGON AGRICULTURAL COLLEGE, Corvallis, Aug. 13.—Lee Thomas Sims, of Woodburn, a senior in industrial arts, was one of the group of 10 men and one woman, receiving an "A" grade in all courses taken in the spring term. This is the highest possible scholastic average which a student may receive. No students taking less than 15 credits were counted in making up the list. Ninety-one men and women made an average of between 92 and 96. Among them were: Claude Darby, Salem; Gertrude Ellis, Dallas; George Hensler, Dayton; Katherine Marshall, Raymond; Leonard, both of Corvallis; Glenn Miller, Turner; Harold R. Olsen, Woodburn; Laurence Purvine, Salem.

Carnation Home Cooking Lessons

This series of lessons on milk cooking is appearing weekly. Mrs. Blake's counsel will be helpful and stimulating, because of her practical experience in home cooking. She will answer any question on cookery asked by her readers. Address Mrs. Mary Blake, care Carnation Milk Products Co., Stuart Building, Seattle, Washington.

Lesson No. 3 New Recipes for Milk Breads

The foundation of almost every American meal is bread—"the staff of life," as it has been called for ages—so that it is most essential that everyone who aspires to be a good cook should be able to make several kinds of this important food. In the making of bread, as in many other kinds of cooking, the use of milk adds both to the quality and nutritive value, and here, again, the richness and convenience of Carnation Milk are of advantage.

Light bread is given a finer texture and a more delicious flavor when it is made in this way. Try this recipe for

Carnation Bread 1 1/2 cups water, 6 to 7 cups flour, 1/2 cup Carnation Milk, 1 cake compressed yeast, 2 teaspoons salt, 2 teaspoons sugar, 2 tablespoons shortening. Soak yeast in a small amount of lukewarm water. Measure the salt, sugar and shortening into a mixing bowl. Add the scalded milk and water. When lukewarm add the yeast and mix thoroughly. Then add the flour gradually. When stiff enough to handle, turn the dough on a floured board and knead until smooth and elastic. Put into a bowl, cover and let rise in a warm place one and a half hours, or until double its bulk, then make into loaves and put in baking pans. Cover, and again let stand in a warm place about one hour, or until it has doubled its bulk; then bake about 45 minutes. This recipe makes two loaves of sixteen slices each.

Another warm bread quickly prepared and very delicious when properly made is muffins. Try them made by this recipe.

Muffins 1/2 teaspoon salt, 1 tablespoon sugar, 1 1/2 cups flour, 4 teaspoons baking powder, 1 egg, 1/2 cup water, 1/2 cup Carnation Milk, 2 teaspoons melted shortening. Mix and stir dry ingredients. Add milk diluted with water to wet-beaten egg, and add to dry ingredients, then add the melted shortening. Bake in greased muffin tins from 15 to 25 minutes. This recipe makes ten muffins.

For something different from the ordinary kind of bread—one that will be especially popular with the children—try this recipe for Nut Bread

1 teaspoon salt, 4 cups flour, 1/2 cup sugar, 6 teaspoons baking powder, 2 eggs, 1 1/2 cups water, 1/2 cup Carnation Milk, 1 cup English walnuts. Mix and sift dry ingredients. Beat eggs well, add milk diluted with water and mix with dry ingredients. Beat well, add nuts, put into two greased bread pans and bake in a moderate oven 30 to 45 minutes. This recipe makes two loaves.

Questions and Answers What precautions are taken to keep Carnation Milk pure?—Mrs. R. D. T. From the time the milk leaves the dairy until the can is finally labelled it is under constant inspection and is subjected to the most rigid tests. Not only must the fresh milk from which it is made measure up to a high standard of quality and cleanliness, but during every stage of the process experts test it continuously to make sure that the evaporating, sealing and sterilizing are all properly done.

Carnation Biscuits 1/2 teaspoon salt, 2 cups flour, 4 teaspoons baking powder, 2 eggs, 2 tablespoons shortening, 1/2 cup water, 1/2 cup Carnation Milk. Sift dry ingredients together. Mix in shortening with knife or fingers; add to one-half inch in thickness, cut and bake in hot oven about 15 minutes. This recipe makes about eight biscuits.

Boston Brown Bread 1 cup of white flour, 2 cups graham flour, 2 cups Indian meal, 1/2 teaspoon salt, 1 teaspoon baking powder, 1 cup molasses, 1/2 cup Carnation Milk. (Clip and paste this lesson in your cook book. If you have missed any previous lesson, I will be glad to send it to you on request.)

TO THE HOUSEWIFE OR CHEF: Try one of Mary Blake's suggestions—Order your Carnation Milk from one of these dealers. SALEM PUBLIC MARKET, Cor. State and Com'l St., Open from 6 a. m. to 10 p. m.
