Fence for 32nd Time

CHICAGO, Aug. 18.—(American)—Babe Ruth, by cracking out his 32nd homer of the season with two on base in the ninth gave New York a 6 to 5 victory over Chicago in the first game of the series here today. With two out, two on base, New York two runs behind and two strikes on Ruth, Clevengrove attempted to sneak one over the plate and Babe swung. His drive cleared the right field bleacher wall and gave the visitors the game. It was the third time this season that Babe Ruth has defeated Chicago's little southpaw with a homer. Ruth was very much the entire game. In addition to his homer he drew two passes, cracked out a double and a single for a perfect day at bat and was responsible for five of New York runs.

Ford Would Accept Offer
Of Presidency; Not Seek

ESCANABA, Mich., Aug. 18.—Henry Ford laughed today when given a copy of a newspaper containing an article by Allan Benson, well known magazine writer, which in plain terms states that Mr. Ford wishes to become president.

Mr. Ford did not indicate in the ten minutes conversation with the correspondent that he had changed his mind as to the position he has taken toward the presidency. He intimated that he was not going after the presidency but that like any other human being would be willing to accept the honor if it were conferred upon him.

Yeomen and Hopmere Will
Play on Salem Park Today

While the Salem Senators are playing the Dallas baseball team at Dallas today, the Hopmere team and the Yeomen will be playing on Oxford field.

The Senators will be under a handicap today for lack of a regular pitcher, and Baker, who ordinarily plays shortstop, will go on the mound. He pitched when in high school and may be able to hold the Dallas team.

The Yeoman club, which plays Hopmere here today, is at top-notch strength. It has lost few games this season. Hopmere is also stronger than it has been heretofore. In a previous game between these two teams a decision by the umpire gave the game to Hopmere. The decision may have been right, or it may have been wrong, but the Yeomen did not like it and are out to get even today.

Boston Protest Denied
By President Heydler

NEW YORK, Aug. 18.—The Boston National league club's protest of Brooklyn victory in the second game of a double header at Brooklyn July 4, was denied today, by John A. Heydler, president of the league, in a decision involving a new version of the question "When is a ball over the fence."

The protest by Boston hinged upon a home run allowed Fournier, Dodger first baseman, in the sixth inning. Fournier's drive by

a strange freak, struck a flat attached to a staff on top of the right field wall, became enwrapped in its folds for a moment and then dropped back into the playing field. The ball was returned to the infield and Fournier held to second base, but Umpire Hart ruled the hit a home run.

Boston claimed that the flag was part of the playing field and the hit therefore did not go out of the park but President Heydler, citing several precedents, decided that the flag was an obstruction beyond the actual limits of the playing field, thereby sustaining the ruling of the arbiter.

Jack Druley

INDIANAPOLIS, Ind., Aug. 18.—Jack Druley, promoter of the Luis Angel Firpo-Joe Downey boxing match, who disappeared shortly before the match last night, reappeared tonight and attempted to explain his absence and the reason the participants in the feature match of the boxing card were not paid the full amount called for in their contract.

According to Druley he left the scene, saying that if he had stayed Firpo and his manager would have continued their negotiations for the entire sum stipulated in the contract and the fight would not have been held. He explained his seclusion today by saying he was checking up the funds.

After the receipts were counted and Firpo was given \$2,000 of the \$4,000 which the contract called for, and Downey was given \$800 of the \$1,000 which his contract called for, Druley said he did not have enough money to pay for his room rent. Four thousand, six hundred dollars was taken in at the fight, Druley said. The money other than that paid to the principals was spent today for other things necessary for the holding of the bout. He added that the boxers who fought the preliminaries, the gate attendants and others who had assisted in the handling of the fight had not been paid.

President Coolidge Goes
Riding on "Generals" Back

WASHINGTON, Aug. 18.—President Coolidge today for the first time since he became chief executive went horseback riding, the form of recreation it appears that he will adopt. Leaving his hotel apartment after a conference late in the day with members of the United States coal commission, the president asked to be driven to the white house

stables, where he told attendants he would like to see the horses. Several were brought out, including "General," the chestnut bay gelding which had attracted his attention several days ago on his first visit to the stables.
