### GLORIA SWANSON

#### "Bluebeard's Eighth Wife"

Gloria has the role of a pretty French girl whom this modern Bluebeard, an American millionaire, meets in swimming at a fashionable European watering place. Love, comedy, a touch of tears, and gorgeous complications follow.

Seven wives and he divorces them all! Here's the second (Bess Flower) an American girl.

Bluebeard learns Spanish to woo his third wife (Christina Mont), but it is no use.

(Below) And then he marries a fair-haired English girl (Helen Huntoon).

His fifth venture is with a Scandinavian beauty (Helen Walton).

Number 6 is a lovely exiled princess from Russia (Thais Valdemar).

(Right) John Brandon, the modern Bluebeard, as pictured by Huntley Gordon.

The seventh venture is with an apple-cheeked Canadian maiden (Mabel Coleman), but it isn't the lucky seventh.

Seems to us that a man could have been content with any one of the first seven—but then maybe he knew Gloria Swanson would be Bluebeard's Eighth Wife.
