"The Critical Age"

... "The Purple Highway"

Jack Holt in "The Call of the North"

Pasline Garon, who plays the leading feminine role in "The Critical Age," the picture version of "Glengarry School Days," by found that this role had its trials and tribulations as well as its Joyous moments. One of the important scenes in this production was capable supporting cast. a party given by a number of children. Miss Garon stated in an interview that she had always country store will be a feature at loved to give parties, and this reminded her so much of her school Thursday night. days, which it must be admitted were not so very long ago. However in this particular scene she stated she had the time of her life. Over 75 children were used in the scene and a fine time was had by

However, it wasn't all a bed of roses for Miss Garon. Like every starting Friday night at 7 p. m. other motion picture star, she is sometimes called upon to do almost anything. This was the case in "The Critical Age." In this production Miss Garon was toppled into the water and was carried by the current up to the very brink of a dangerous fails. She is rescued by the hero just in the nick of ime. The only support that she had while drifting down stream was a large dog sent to her rescue. Not like most actresses, she had no rope attached, but depended entirely upon the dog and her ability to swim for her safety. Miss Garon later admitted that it was one of the most thrilling

experiences that she ever had.

Exxcitement and thrills, suspense and conflict are said to be simply crowded into "The Spotlers," Jesse D. Hampton's production of Rex Beach's famous novel of Alaska, which will be shown at the Oregon theater on Friday. By the critics this film has been termed one of the masterpleces of the

There is every reason to believe day. The Eastern and Western boasts an unusually notable cast, that "The Spoilers" is everything Lumber company, whose camp headed by Milton Sills, Anna Q. dividual, but was rather pla was the most seriously affected Nilsson, Barbara Bedford, Robert to put over forcefully as a sellent truths. Edeson, Noah Beery, Mitchell Lewis, Robert McKim, Sam de Grasse, John Elliott, Ford Stercliffe Fellowes.

"The Spoilers" was written by Beach from actual observation of the turmoil that followed in the Yukon when crooks jumped the claims of the miners and looted them of their gold for months until justice was restored. His novel is an authentic record of the historic gold rush to the Yukon and in transferring it to the screen Director Lamber Hillyer has lost none of the atmosphere of the
