CHAMP BALL GAME IN SALEM TODAY

Senators and Woodmen of Portland Will Battle for State Title

The baseball season for the Salem Senators will close today with a game at Oxford field to determine the semi-professional independent championship of the state between the Senators and the Woodmen team of Portland.

Salem made a claim of the championship a week ago when it defeated the Arleta club of Portland, but the Portland Woodmen protested and said that Salem had no right to such a claim unless the Senators could win over the Woodmen. Manager Harry Wenderoth told them to come on, and they will be here today. Ashby will pitch again for Salem today.

It is believed the game will draw the biggest crowd of the season.

FIRST PRACTICE AT WILLAMETTE BRINGS 26 MEN UPON FIELD

Twenty-six of the Bearcat grid work is the stuff victors are made of. The Bearcats see the chance of a brilliant season ahead under a coach in whom they have every confidence and they are turning their ambitions into hard practice.

It will take lots of hard practice in the next two weeks to beat Oregon on Sept. 29. Generally speaking, the material which turned out yesterday is raw and unscarred. Oregon expects to have 13 regulars from last year back, Willamette has but a few. Oregon's line will probably be heavy, whereas that Bearcat line will be unusually light, the heaviest man so far tipping the scales at about 180.

Fans Are Confident

Fans who watched the two-hour workout given the men yesterday are confident of a splendid showing for the Bearcat squad during the coming season. The turnout was the largest that has ever appeared for a first-day practice, and it is probable that the number will be increased to between 40 and 50 within the next few days. The spirit with which the men are entering their

More Men Coming

Willamette's chances, however, have not all been told about, and will not be until the latter part of next week when all of its men have reported. Rumor has it that new men are coming to fill several gaps where Willamette needs new strength most.

Stolzheise is in excellent shape, having spent the summer in the harvest fields. Patton and Sherwood are in equally good condition and the three alone would be first class material around which to build a fighting machine. There are a few men, though light, who give promise of developing unusual speed and this may eventually be a Bearcat strength.

Coach Impresses Onlookers

Observers yesterday were more than pleased at the way in which Coach Rathbun handled his men. He got hard work out of them, work which if continued, may hand Oregon a big surprise.

"I can't tell yet," is the only comment the coach has to make on the season's outlook, "the men are new to me and I'll have to see them work first. I will say though that they are showing a fine spirit."

These Were Out

Those who turned out for yesterday's practice are Patton, Stolzheise, Sherwood, Caughlan, Hiday, Wilkerson, Oliver, Findley, Logan, Briggs, Fasnacht, Hanson, Atkinson, Erikson, Bond,

SCOUTING BARRED BY CONFERENCE

Stanford's Proposed Rule Said Not Enforceable— Arbitrator Voted Down

PORTLAND, Sept. 15.— The Pacific coast inter-collegiate athletic conference, before concluding its two-day session here today adopted a rule prohibiting the practice of "scouting" for prospective athletes.

The rule provides "that scouting by anyone acting for a member of the conference, or by anyone representing student organizations, be prohibited." This was a substitute for a much more drastic rule proposed by Dr. W. H. Barrow of Stanford, which the conference side-tracked as being "unenforceable."

The proposal by the University of Southern California that an arbitrator be appointed to pass on all questions of eligibility, was voted down. The conference slightly amended the rule on summer baseball, but playing of semi-professional baseball will still be permitted where the athletes receive money for playing only as a side issue of another job.

Paul Strand Beats His World Record as Hitter

SALT LAKE CITY, Utah, Sept. 15.—Paul Strand, outfielder of the Salt Lake Pacific Coast league club, made his 290th safe hit of the 1923 season today, and this broke his world record of 289 safe hits established last year. The hit today which broke his record was made in the Oakland-Salt Lake first game of a double header.

CHAMPIONSHIP NOT SETTLED FOR GOOD

Firpo Determined to Stage Come Back—Wills Turns Deaf Ear to Rickard

NEW YORK, Sept. 15.—(By Associated Press.)—Jack Dempsey and Luis Angel Firpo have not settled their title feud despite the world's champion's smashing victory over his Argentine rival last night at the Polo Grounds in a swirling, cyclonic drama unparalleled in ring annals.

Firpo, in defeat, was acclaimed by critics as a more dangerous challenger than ever and tonight Tex Rickard announced he already had plans under way for a second championship fight between these two mighty gladiators. It cannot take place before next summer, the promoter declared, but if it materializes, he hopes to stage the match about July 1, 1924, probably in New York.

Meanwhile, Rickard added, he is ready to match Firpo and Harry Wills, New Orleans negro, who has been clamoring for a title match with Dempsey for more than a year. The promoter, who has already signed Firpo to a contract to fight Wills here preferably next April in the Argentine, said he would seek Wills' signature to a contract guaranteeing the victor a bout with Dempsey. Wills, so far, however, has turned a deaf ear to Rickard's proposal, preferring to press his claims for a fight with the champion.

WILLIAM OLESON HEADS RACING

Indications are that the majority of the Sunday pleasure seekers will avail themselves of the last auto race of the season and motor to Independence today. Independence is but twelve miles

distant from Salem and as the track is undeniably the fastest in this section of the country the races should be very good.

The races are being managed by Wm. Oleson of Salem, a man who has had wide experience on the Canadian circuit and is well equipped to put over a real racing event.

The grounds are to be well policed so that there will be no danger of accidents and adequate provisions are being made for the parking of cars at a safe distance from the tracks so that one can witness the race from the comfort of their car. There will be no charge for parking.

The Pride of Possession

There's an instinct common to us all—the desire to accumulate something.

In the small boy it takes the form of collecting marbles, stamps, pieces of string, knives and the many other things you find in a boy's pockets.

But in their elders it becomes stocks, bonds, money and other valuables.

You'll find a wonderful gratification in satisfying that instinct with an account at the United States National.
