May Be No More Coast League Games in Sacramento This Season

SAN FRANCISCO, Sept. 19.—Pacific coast league teams will play no more baseball in Sacramento this season unless proper police protection for umpires and players is assured, President William H. McCarthy declared late today after wiring an indignant protest to the chief of police of that city against the attack on Umpires Byron and Ward after today's Sacramento-San Francisco game.

This series and all others for the present season will be transferred to San Francisco, if police "fail their duty and there is a repetition of this disgraceful proceedings," McCarthy declared.

Sacramento police were accused by McCarthy of standing by and making no attempt to check "10 or 15 hoodlums" who started the trouble.

"Byron and Ward will finish the series, despite any appeals that may be made," McCarthy said. "I am going to insist that they be given proper police protection and if they are not, there will be no more baseball played by the league in Sacramento this year. It was not the ball players who started the trouble. It was 10 or 15 hoodlums whose actions bring discredit to Sacramento and threaten destruction of a great sport."

Prize fighting is healthy. Think of the exercise the fighters get counting their money.

STONES HURLED AT 2 UMPIRES

Fielder Makes Sensational Catch and Arbiter Calls Hitter Safe

SACRAMENTO, Sept. 19.—In the fourth inning of today's game between Sacramento and San Francisco, Ernie Mulligan, leading off, hit a long drive off Hughes to right center. Brown raced after it and leaped high into the air, crashing into the boards as he speared the ball with one hand. Umpire Byron, officiating at the plate, called Mulligan safe, ruling that the ball had bounced off the fence, and immediately the arbiter was surrounded by angry Sacramento players and some of the fans started to climb out of the stands.

Colonel Pick finally quieted his players and the police stopped the incursion of fans. Before the Solons could regain equilibrium, Hendrix scored Mulligan with a single and Kilduff tripled, counting Hendryx, San Francisco finally taking the combat for a second straight triumph, 4 to 2. After the game fans charged out of the stands after Byron, who fled to the seclusion of his dressing room, remaining there until the angry mob had dispersed. When he left the park stones were hurled at him by the mob, some of the assailants being women, but Byron was escorted by police to his hotel. Umpire Ward was struck by a rock and his cheek cut. Catcher Yelle of San Francisco also was cut on the cheek by a rock when he attempted to protect Ward.
