DESPITE the hurry and scurry of the first busy days of registration, and the beginning of classes, university students have found a few stray moments to devote to the timely occupation of rushing.

Already the Delta Phi sorority announces the pledging of Ruth Wechter of Salem, and Margaret Nades of Seattle.

From the fraternities come the following announcements: Kappa Gamma Rho, John Fasnacht, Philadelphia; Edwin Johnson, Eugene; Parker Whitaker, Boise, Idaho; John Russell, Elizabeth, N. J.

Phi Kappa Psi: Connie Beckwig, Selma, Cal.; Harold L. Pearce, Lostine, Or.; Crimo White, Berkeley, Cal.

Alpha Psi Delta: Frank Molstraa, Pendleton; Herbert Dunlap, Kennewick, Wash.; Donald Pybus, Wenatchee, Wash.; Lloyd Brown, Wenatchee, Wash.; Charles Cooley, Prairie City, Or.; Kenneth Masson, Monroe, Or.; Guy Kinley, Bandon; Lawrence Schrieber, Salem.

Epsilon Delta Mu: Herbert G. Luscombe, Boise.

Miss Marguerite Gutschow has recently had accepted for publication "Western Verses," a text book to be used in high schools. Miss Gutschow is a graduate of Willamette and also holds a Master of Arts degree from the University of California. Her master's thesis concerning western poets and poetry was published by Ginn & Co.

After visiting since Monday with their daughter, Mrs. Carl Miller on Twenty-third street, the Rev. and Mrs. G. F. Liening left yesterday for their home at Vesper, Wash. Their daughter, Miss Esther, accompanied them to Sa-

le where she has begun her second year in the university. Dr. Liening was former pastor of the Liberty Street Evangelical church and is now pastor of the Evangelical church of Vesper, Wash.

Salem students are still maintaining their popularity in the student activities of the university here, as is evidenced in the results of the class elections which took place yesterday.

Donald Grette will be treasurer of the senior class this year; Stan-

nesday evening to attend a banquet given by the Phi Gamma Delta fraternity, of which Mr. Darby is a member.

Mrs. Leon Hansen is recovering very satisfactorily from a major operation performed at the Deaconess hospital a few days ago.

Mr. and Mrs. Ross C. Miles are receiving congratulations upon the birth of a son Sunday evening. The boy has been named Frank Vernon.

Wednesday morning at 10:30 o'clock Miss Beulah Pearl Madill of Polk county became the bride of William Gaylord Fisher. The Rev. N. C. Ernston read the ceremony at his home in the presence of only a few relatives. Mr. and Mrs. Fisher left for a short wedding trip, after which they will make their home in South Salem, where they have purchased a home.

Mr. and Mrs. W. D. Clarke entertained the first of the week Mr. Clarke's mother, Mrs. D. D. Clarke of Portland, and her sister, Mrs. A. J. Monroe of California. Mrs. Clarke and Mrs. Monroe returned to Portland Tuesday evening.

Miss Merle McKelvey of Portland, who is to teach in Salem high school this year, and her mother, Mrs. C. A. McKelvey, will come to Salem next week to take up their residence in the Court apartments.

Mr. and Mrs. M. D. Ellis had as their week-end guest their son, Floyd Ellis of Portland.

As fair week draws near, club women of Salem are reminded of the Children's Farm home booth and bazaar, to be held in the government building under the combined auspices of the federated clubs, fraternities and the WCTU of the state. Donations for the booth may be left at the WCTU club rooms on the corner of Commercial and Ferry streets, or phone Mrs. J. J. Nunn, 690, and the articles will be called for.

All clubs and organizations will be given due credit for the money accruing from the sale of their own articles, and the results of the sale of contributions from the federated clubs will be applied upon the \$400 pledged by the State Federation of Women's clubs last year to the Children's Farm home fund.

In response to letters sent to club women asking for contributions, many gratifying replies have come from all parts of the state, and a generous supply of articles is assured.

The Salem committee, composed of Mrs. J. J. Nunn for the Salem WCTU; Mrs. David Wright for the women's fraternities, and Mrs. C. P. Bishop, as a member of the farm home board and a prominent club woman, are working hard to make all preliminary preparations for the bazaar.

FINE CATTLE TO NEW YORK SHOW

Darling Jolly Lassie, World Champion, and Others Will Lease Soon

Seven of Marion county's finest Jersey cattle will leave Marion Saturday or Sunday in a special express car for exhibition at the National Dairy show in Syracuse, N. Y. The shipment is owned by the Pickard Brothers of Marion, and is valued at \$100,000. The cattle have been insured for the trip. Obid Pickard and George Stephens will have charge of the car.

The prize of the lot is Darling Jolly Lassie, world's champion butterfat producer, with a record of 1141.29 pounds of fat in one year. She is valued at \$25,000. Her sire, Darling Gallant Boy, and five others of the same breed are of record-breaking strain being in the consignment.

Eastern breeders and dairymen have demanded that western cattle be sent east for display purposes. In order to facilitate this, the American Jersey Cattle club appropriated \$2500 toward the expense. Express rates on the shipment, one way, total \$1700. The remainder of the cost will be borne by the Pickard Brothers.

Large signs have been painted to place on the car carrying the cattle

all parts of Europe added 500,000,000 lire, or \$100,000,000, probably owing to the restricted exchange rate of those days, to the wealth of Italy. In 1922, tourists from all over the world brought 2,000,000,000 lire to Italy, which, calculated at the present rate of exchange, would give about the same sum, \$100,000,000.

Coupled with remittances received from Italian emigrants, mainly in America, this tourist revenue used to be sufficient to balance Italy's adverse trade balance. The emigrant remittances, especially during the present year,

Many In "Colonel House" Role Bewilder Europe

BERLIN, Sept. 21.—Europe has been visited by so many self-styled Colonel Houses in the last few years that the European capitals every time the advance publicity man of some visiting American announces that the "Colonel House" of the present administration is traveling through Europe to study the reparations problems for the president and will arrive in a few days.

Foreign officials, however, especially those of the countries which are eager to have American aid, take the gum-shoes man from the United States more seriously. Frequently American press agents who let foreign newspaper men know "in strictest secrecy" of the highly confidential relations between their principal and members of the administration.

Fashion Now Calls For Flaring Skirts

LONDON, Sept. 21.—Spartly dressed women of the future must wear "flare" skirts, modified leg-of-mutton sleeves, well defined waistlines, and must make up in "doll" fashion, according to London fashion experts. The "doll" make-up consists of a dash of red high on each cheek bone, and another dash in the middle of the forehead. This gives the fair wearer the appearance of a Dutch doll.

Skirts of the coming season, the London fashion judges have decreed, shall be so made that when the wearer walks the skirt will fill out like a balloon, but when she stands in repose, her draperies will unfold her as in a sheaf. The ultra-long skirts, so much in vogue during the last season, will be abandoned. The new circular, "flare" skirts are shorter than those of last year.
