## Cost of Beauty

My cost, \$100,000—yours, 50c a week

By Edna Wallace Hopper

My quest of beauty cost mother and me at least \$100,000. We searched the world to get the best that science had to offer.

But those helps made me famous as a beauty. And they have kept me a youthful beauty to my grand old age.

Now I want others to enjoy those same helps. I have arranged so all may get them. Any girl or woman may use all my helps at a cost not over 50c per week.

White Youth Clay  
My skin is like a baby's, yet my age is 62. I owe that largely to a superclay which France created for me.

Not like the crude and muddy clays so many still employ. This clay is white, refined and dainty. It is based on 20 years of scientific study. No old time clay brings comparable results.

I call this my White Youth Clay. It purges the skin of all that clogs it—the cause of blackheads and blemishes. It brings that rosy afterglow which so amazes and delights. It combats all lines and wrinkles, reduces enlarged pores.

How it multiplies beauty, how it keeps youthful bloom, is shown by my complexion. No girl or woman can afford to go without it. The cost is 50c and \$1.

Two master creams  
My Facial Youth is a liquid cleanser which I also found in France. Great beauty experts the world over now employ it, but they charge too much.

It contains no animal, no vegetable fat. The skin cannot absorb it. It simply cleans to the depths, then departs. All the dirt, oil, grime and dead skin come out with it. One never knows what a clean skin means until she cleans it this way. My Facial Youth costs 75c.

My Youth Cream is my cold cream—another French creation. It contains both lemon and strawberry. Also all the best that science knows to foster the skin texture. I use it as a night cream, also daytimes as a powder base. Every hour I keep my skin fostered and protected by it. This matchless cream—my Youth Cream—costs you 50c per jar.

My Hair Youth  
My hair is my greatest glory. It is silky, lustrous, luxuriant and grows finer every year. Dandruff, falling hair and gray hair are unknown to me.

This hair which millions envy is due to my Hair Youth. I apply it with an eye dropper directly to the scalp. There it combats hardened oil and dandruff, which stiffen the hair roots. It stimulates and fertilizes. Then hair thrives just as flowers thrive in a well-kept garden. One minute a day does all this. My Hair Youth with eye dropper costs 50c and \$1.

All druggists and toilet counters now supply Edna Wallace Hopper's products. With each comes a guarantee. Experts tell me that these are the best helps in existence. I hope that what they did for me and mine will induce you to try them. Edna Wallace Hopper. Business address, Waukegan, Wis.
