Homer Smith Is Heard On Fire Prevention

"Fire prevention, like charity, should begin at home," Homer Smith, local insurance man, told members of the Silverton fire department at a banquet given in their honor at Silverton Tuesday

"In all too many instances the general public fails to cooperate fully with the fire department. Instead of welcoming inspections by the chief regarding possible fire hazards, too many assume the attitude that it is none of his business, not realizing that the loss of a single building in the business section woold more than offset the entire cost of maintaining the department for a whole

ROUGH, RED SKIN

Face, Neck and Arms Easily Made Smooth, Says Specialist

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.
