**National Overhauling Month**  
NOVEMBER, 1923

November is the month officially designated for overhauling motor cars for winter service.

Take advantage of the special equipment in our shop and of the expert knowledge of our mechanics. Drive in for a free examination. The correction at this time of minor mechanical ills of which you may hardly be conscious, may save much time and expense later on, and will surely make your winter driving safer and more comfortable. If there's nothing wrong, we'll tell you so.

While your car is being overhauled, you can select from our stock of equipment any comforts and conveniences you may wish to have installed. This work can be done at the same time, and at minimum expense. Avoid unnecessary delay by running in today for a free examination.
