

WATKINS WILL ADDRESS RALLY

Elaborate Plans Made for Program by Veterans of Foreign Wars

The grand rally at the armory on Wednesday night, Nov. 7, that is sponsored by the Veterans of Foreign Wars is to be the greatest of its kind ever held in Salem, according to the many who are interested in this special kind of meeting.

Nearly all the veteran organizations have passed similar resolutions regarding immigration legislation that is now pending before congress.

Elton Watkins, member from the third congressional district of Oregon, is to be the chief speaker and is said to be one of the most able speakers of the state and is fully conversant with this subject, having awakened interest in the pending immigrant legisla-

tion wherever he has addressed audiences. The other is Captain Frank Sever who became interested in this important question while handling men while in the service in the World war. He has been a close student of the subject ever since. City and state authorities have all sent word of appreciation to the Veterans of Foreign Wars for arranging this meeting and commenting in the strongest terms possible regarding its importance. The musical and entertainment part of the program is making headway that will bring special success to the enterprise.

Bingham on Divorce—Judge George C. Bingham of the circuit court for the third district will speak upon the divorce problem at the regular luncheon of the Chamber of Commerce Monday noon. Judge Bingham is known to have very definite ideas upon the problem. In addition to his stand on divorce, Judge Bingham is also a pioneer in taking the stand that when a man is granted American citizenship, the wife also must pass an examination to show that she understands some of the duties involved in citizenship. Assurance, absolute, is given that the luncheon will begin promptly at 12 o'clock and terminate at 1 o'clock. Roy Shields will preside.

Game Was Slow—A slow game and a heavy field was the general verdict of a party of Salem men attending the OAC-U of W football game yesterday. D. W. Eyre drove down to Corvallis to take in the home coming game. He was accompanied by T. W. Nelson, U. C. Boyer, D. C. Drager, Charles E. Knowland and B. F. Fisher. Luke Gill outpunted Ziel of the Huskies, according to the Salem men who returned late last night.

Accredited Piano Teacher—Will exchange lessons for laundry. Phone 2085R.—Adv.

Class in advertising at the YMCA will on Monday night discuss with the class the method of making a survey and analysis of territory before advertising. He has a very interesting report of a survey which was made in a city about the size of Salem. The points in this will be analyzed and a black-board probably will be used.

New Invention Successful—An automatic fair leader, the invention of Vernon F. Jewitt, well known Salem and Portland mechanical engineer, is attracting considerable attention among logging and mining men in this vicinity, according to reports coming from persons interested in the advancement and improvement of machinery used in these industries. The device—already being used—operates in such a manner that there is no "strapping" of a cable in its passing through the block and at all times, as a result of its construction, the cable is running freely in the track of the sheave, and at any angle that working conditions demand. Whether or not the cable is loaded has no bearing on the efficiency of the block's operation. It is claimed by the inventor that this fair leader will solve practically all the difficulties that beset the logging and mining operators so far as cable depreciation resulting from chafing action is concerned.

PERSONALS Charles Riches of Silverton was in Salem Saturday. Fred Kelsor of Seattle is visiting with friends and relatives in Salem. He formerly lived here. Gale Seaman, Los Angeles, YMCA college student secretary of the Pacific coast, left yesterday after short conferences with Willamette university students and general calls in the city. Mr. and Mrs. Frank Bligh left yesterday for a 10 day motor trip through southern Oregon. Dr. C. C. Poling, pastor of the First Evangelical church, was in Portland the latter part of the week. Mabel Zysset, Monmouth, was in the city yesterday afternoon.

Used Shopworn and Non-Stock Pianos

SO THAT WE may properly clear out our Fall Stock and new styles that are arriving almost daily, we have decided to close out at greatly reduced prices our entire stock of over fifty used, shopworn and nonstock pianos. In this stock are to be found some of America's oldest and finest makes of pianos and player pianos. We know that no time during our forty-three years in the music business in Salem have we been able to offer pianos of such high character and dependability as this stock for such low prices. Many of these pianos are new, some only slightly shopworn—in fact this stock is high in quality throughout that we are giving our guarantee that goes with our new pianos on nearly every one of these wonderful instruments. You will find good practice pianos as low as \$50; and fine, high grade guaranteed pianos from \$135 to \$250—some a little higher. We will accept any of these pianos back at its full face value anytime in a year on a new piano.
