EUGENE HIGH BEATS SALEM

Purple and White Players Take Better End of 9 to 7 Contest Monday

After being swept off their feet when Eugene high school crossed in the first five minutes of play, the Salem high school's goal line, the red and black players stiffened and held the purple and white to a 9 to 7 score on Sweetland field Monday afternoon.

Salem played in hard luck, and after gaining a lead of one point in the second quarter, when the score stood 7 to 6 in its favor, was unable to develop punch enough to score again, though Eugene managed to annex sufficient tallies to win the game by booting one between the goal posts late in the second quarter. Neither team scored after the first half.

Additional interest in the contest was aroused by the fact that "Spike" Leslie, coach of the Eugene team, and Hollis Huntington, Salem coach, were teammates on the University of Oregon eleven while in college.

Eugene was accompanied by a large number of rooters from the university city, both sides taking the field for serpentine during the intermission. Music was furnished by the boys training school band. The crowd was the largest attending a football game here this season.

Eugene Draws Blood
Salem kicked-off, with Eugene returning to the center of the field in the first quarter. A fumble by the red and black advanced the ball, enabling Lucky to go over for the visitors first tally. The attempt to convert failed. Eugene kicked off, and for the first time in the game Salem had the ball. The ball was worked down the field into Eugene territory, aided by an off-side penalty, a completed pass and a recovered fumble. Eugene braced and forced Salem to try a field goal, the attempt failing. Eugene punted to safety, closing the first quarter.

Salem Takes Lead
In the second canto Salem punted, with little return. An incomplete pass, followed by a completed one, gave first down, while line bucks also gave first down. Salem was playing the best ball of the game. After smearing a pass and another incomplete pass, a miniature aerial attack was ended. A cross advanced the ball, and unable to withstand the onslaught the purple and white allowed the red and black to tally. The free kick was added, making the score stand Salem 7, Eugene 0. Salem kicked, and on a double fumble, Eugene was able to return the sphere to the center of the field. A long penalty and a little line work placed the ball off Salem's 35-yard line, from which the ball was kicked between the uprights, giving the lead back to the visitors. The score now stood Eugene 9, Salem 6, neither team scoring in the following two periods. The ball was in Salem's possession near the center of the field when the whistle terminated the half.

Penalty Given Eugene
Eugene was slow in returning to the field, and was penalized 10 yards, on the kickoff. Eugene lost an additional 15 yards in this canto. Running in the field by Babb, Eugene, was a feature of the quarter, the little back-field man bringing the crowd to its feet several times. A long rolling punt, Eugene off-side and then a recovered fumble by Eugene took the pigskin close to the goal, when the third canto ended, with the ball in Eugene's possession.

Men are Substituted
A misunderstanding regarding time out on the part of the umpire cost Eugene 15 yards early in the final canto and carried the purple and white away from the danger zone as an effort to place kick was about to be made. Another

other place kick from a bad angle on the 40-yard line fell short. After advancing the ball well down the field, Eugene was halted by the Salem men. Huntington threw in several fresh reserves in an effort to stem the tide, but these did not avail. Eugene found a few holes and hit the line for good yardage as the game approached an end. Salem took the ball on her own 30-yard line when the final whistle blew.

Line-up of the teams was as follows:

Salem—Gould, l. e.; Blankenship, l. t.; Jackson, l. g.; Harris, center; Townsend, r. g.; Ausman, r. t.; Fallin, r. e.; Patterson, quarter; Heenan, l. h.; D. Kelly, r. h.; and Ringle, captain, full back.

Eugene—Hall, r. e.; Schroeder, r. t.; Howard, r. g.; Callison, center; Smidle, l. g.; Aydot, l. t.; Nelson, l. e.; Babb, quarter; Kellogg, r. h.; Coleman, l. h. and Lucky, captain, full back.

Substitutions: Salem, Hanson for Jackson; Coogie for Toward, prior to those of the last few minutes of the contest. Eugene made one substitution, Fagles for Smidle.

Officials: Guy L. Rathbun, W.U. referee. Charley Dawson, Oregon umpire.

BIG FIVE LEAGUE ELECTS PRESIDENT

Los Angeles Gets League Headquarters and Harry A. Williams Leader

LOS ANGELES, Nov. 12.—The so-called "Big Five" and "Little Three" factions of the Pacific Coast Baseball league returned here late today after the annual league meeting on Catalina Island, where the former, using their superior voting power, drove William H. McCarthy of San Francisco from the presidency, elected Harry A. Williams of Los Angeles in his place and transferred league headquarters from the Golden Gate to this city.

The San Francisco, Vernon and Sacramento clubs stood solidly behind McCarthy even after the others had voted Williams to the chair and refused to answer the new president's roll call.

Seattle, in the person of John

J. Sullivan, re-entered the league councils on the vote of the majority after having been excluded since early in the year on McCarthy's charge that William Wrigley, Jr., owner of the Los Angeles club, was interested in the purchase of the Seattle franchise.

McCarthy issued a statement following the meeting characterizing the meeting as the "worst incident that ever has happened in any baseball league."

Williams declared that in his future actions as league president he would not be influenced by any bias.

The fight now will be taken to the national board of arbitration meeting in Chicago.

In baseball circles it is confidently predicted that whatever the outcome of the hearing by the arbitration board the case eventually will be taken to the law courts for settlement.

ALIEN LAND LAW DECLARED VALID

(Continued from page 1.)
ed, "It does not take away from the state those powers of police that were reserved at the time of the adoption of the constitution. And in the exercise of such powers, the state has wide discretion in determining its own public policy and what measures are necessary for its own protection and properly to promote the safety, peace and good order of its people."

Rights Vary.
The court pointed out that the rights, privileges and duties of aliens differ widely from those of citizens and that the alien's bonafide declaration of his intention to become a citizen distinguished him markedly from an ineligible alien or an eligible alien who has not declared such a purpose. The inclusion by Washington of aliens who have declared their intention among those who can own land does not justify in-criminate, Justice Butler said, against aliens who are ineligible to citizenship or those aliens who are eligible have never declared their intention to become citizens.

SEATTLE, Wash., Nov. 1.—Japanese residing in the state of Washington should give up their contests in court and in politics and strive to obtain a better understanding with American residents, declared Chuichi Ohashi, Japanese consul in Seattle, upon hearing of the decision of the United States supreme court in upholding the Washington state anti-alien land law.

Impersonation of Lee Witnessed By Coolidges

WASHINGTON, Nov. 12.—Calvin Coolidge, the first Yankee president in a generation, sat in a theater here tonight, and applauded an impersonation of Robert E. Lee, in John Drinkwater's play bearing the name of the Confederate leader. Mr. Coolidge himself was applauded as he left the theater by an audience that included representatives of many families of the old south.

The president was accompanied by Mrs. Coolidge, Frank W. Stearns, a close friend of the Coolidge family, and C. Bascom Slem, his secretary and son of a Confederate officer. Tonight was the first time the president and Mrs. Coolidge had attended the theater since they entered the White House.

Coolidge Issues Plea For Support of Red Cross

WASHINGTON, Nov. 12.—President Coolidge is urging the American people to give universal support to the Red Cross call, starting this week for enrollment of members for 1924. The president issued this statement:

"During the World War the volunteer effort of the American people to assist the government in providing for the welfare of our military and naval forces at home, on the seas, and overseas, was expressed largely through the American Red Cross, which also rendered incalculable assistance to the armed forces of our associates in the war and to their civilian populations within the invaded areas during and after the war.

"The recent calamity which befell Japan when millions of her people suffered dire distress following the earthquake has served again to reveal to the people of the nation the readiness of the American Red Cross to respond immediately for service in a great emergency and to apply the generous gifts of our people to the amelioration of human suffering. In rendering assistance wherever duty calls, the American Red Cross, in addition to its work in foreign lands, administers relief in times of disaster in our own country, helps to solve the problem of public health, is ever active in other humanitarian projects and, above all, renders welcome assistance to the government in the care of our disabled veterans of the World War.

"Through its charter granted by congress, the American Red Cross is charged with specific duties in relationship with the army and navy and with the people at large in periods of emergency and distress, and it has never failed to perform those duties. Since the war, and as a result of experience acquired in the war, it has expanded its welfare operations in all regions of our country.

"The Red Cross seeks only to serve, not to usurp the prerogatives of other institutions or governmental authorities, but to cooperate with all others in service to humanity.

"It is upon popular membership that the American Red Cross relies for strength of organization and for funds to carry on its work which is so essential to the good of our country, and it is a privilege to our people to hold membership in and have a part in the work of this truly American organization. I therefore urge a renewal of all present membership and enlistment in
