TWO-HOUR LIMIT IS HELD BETTER

Business Men Confer Relative to Newly Enacted Parking Ordinance

An amendment to the 60-minute parking ordinance passed by the city council Monday night is the aim of the Business Men's league which adopted a resolution to this effect at a special meeting Tuesday at the Chamber of Commerce. The resolution requests that the time limit be extended to two hours.

After some discussion, the two-hour request was made and it was decided only fair to ask that the plan be given a trial. The sentiment of the meeting was to the effect that the business men are willing to co-operate and help lighten congestion in the downtown district and to forego all-day parking of their own machines. A committee was appointed to present the matter before the city council at its next regular meeting.

Alderman Hal Patton was present at the meeting and explained the ordinance, in which it was brought out that the mayor was in favor of the two-hour limit.

KID NORFOLK WINS FROM SIKI HARLEM NEGRO GETS DECISION

NEW YORK, Nov. 20.—Kid Norfolk, Harlem negro, tonight received the judges' decision over Battling Siki, Senegalese conqueror of Georges Carpentier, in a slashing spectacular 15-round bout at Madison Square Garden. Siki proved a wild, free swinging battler, but he was badly punished by Norfolk's relentless attack. Making his American debut, Siki proved a game aggressive fighter, but he was obviously not in the best of condition. Norfolk's ruggedness assimilated most of the batter's savage attacks while the Harlem negro kept up a steady, withering onslaught that frequently had Siki in distress.

Siki started at a furious pace but tired rapidly under Norfolk's steady jabbing and powerful hooks. Under this withering fire blood streamed from the batter's nose and from cuts on his eyes and lips. He was groggy from the tenth round, a sorrowful spectacle, but somehow he managed to weather the storm. Siki, whose peculiar ring antics and aggressiveness won him the plaudits of the crowd rallied spectacularly at times in the last few rounds, notably the 13th. Norfolk's blows in several rounds seemed low. Twice Siki protested and the Kid was warned.

SPORT BRIEFS

CORVALLIS, Ore., Nov. 20.—Having beaten Oregon in every cross-country meet held between the Beavers and Lemon-Yellows, Oregon Agricultural college ex-

pects another victory next Saturday at Eugene. The Aggies' team has not yet been chosen but will be picked from Walter Graves and Daniels, letter men, and Bartholomy, Butts, Mason, Keech, Marsh and Bell, new men. Last year Walter sprained his ankle at the start and had to limp the entire distance to enable the team to carry high points.

STANFORD UNIVERSITY, Cal., Nov. 20.—Football Coach Andy Kerr's program this week was three days of signal practice and two days of rest before the big game with the University of California next Saturday. Stanford has much at stake in the contest with its principal rival. Not only has it the opportunity to dispose of a traditional foe, but victory would bring it into a tie for conference honors.

BERKELEY, Cal., Nov. 20.—The University of California football team emerged from its 9 to 0 victory over the University of Washington Saturday with every man who had gone in sore and weary and some minus several pounds, but most of them in fair enough trim for the annual classic with Stanford here next Saturday. Dick Dunn, varsity halfback was the only one seriously injured and he is expected to play against Stanford. Dunn was carried from the field with a dislocated jaw.

Silverton and Woodburn Play Football Friday

SILVERTON, Ore., Nov. 20.—(Special to The Statesman.)—Silverton High school spirit is flying high this week in anticipation of the big high school football game of the season that of Silverton high and Woodburn high, which will be played at Woodburn next Friday. What the game between Oregon and OAC stands for in college circles this high school game stands for in Silverton and Woodburn. Silverton and Woodburn have for years been rivals. In former years Woodburn claims the majority of victories. Last year Woodburn defeated Silverton with a score of 6 to 3. But this year Silverton has a stronger team and happier results are looked for by the Silverton student body.

OAC-OREGON GAME AROUSES INTEREST

Huntington and Rutherford Working Hard for Big Grid Battle

CORVALLIS, Ore., Nov. 20.—The Oregon Agricultural college-University of Oregon football classic to be played at Hayward field next Saturday will be the twenty seventh game between the two state institutions. With a start on an upward climb last Saturday when the Aggies tied Washington State with a 3 to 3 score the situation is looking brighter for the local men. The same Cougar squad defeated the university team 13 to 7 in the earlier half of the season.

EUGENE, Ore., Nov. 20.—Coach Shy Huntington of the University of Oregon football team has started night practice for the annual game with OAC Saturday in order to give his men a longer day. Arc lights have been installed at Hayward field and more than an hour's practice is being held each night after dinner. Every man on the squad with the exception of Vonder Ahe and Campbell is in good condition, said Trainer Bill Hayward.

Cocoa to Be Furnished By Parent-Teacher Society

The relation between the parent and teacher in raising the child was the subject of a talk given last night by John L. Brady at the Lincoln-McKinley Parent-Teacher association meeting. The necessity of cooperation between the teacher and parent was stressed by Mr. Brady. The association voted to furnish cocoa to the pupils during the coming winter as has been done in the past. The committee named for this work is composed of Mrs. Carey F. Martin, Mrs. W. H. Hertzog, Mrs. Watson and Mrs. Luther J. Chapin. E. A. Rhoten is president of the Lincoln-McKinley association. T. M. Hicks is vice president and P. M. Gregory secretary.

Mrs. Mary M. Stanton Dies at Age of 70 Years

Mrs. Mary M. Stanton, 70 years old, died late yesterday afternoon following an illness of several weeks. She is survived by her daughter, Mrs. A. N. Fulkerson, county superintendent of schools in Marion county with whom she has made her home for some time, a son, Harvey H. Stanton of Salem, and two stepsons, Charles J. Stanton of Monmouth and Mryon H. Stanton of Brighton. The funeral will be held Thursday at 1:30 from the Webb Funeral chapel with burial in the cemetery at Zena. Mrs. Stanton came to Oregon in 1887 from Minnesota. Her husband died in 1902 and she has lived near Salem for the last 12 years.

Anderson-Browns and Union Oils Victors

Two fast games last night, resulting in victories for the Union Oil and the Anderson-Brown quintets, marked this week's series of the Commercial Basketball league. Displaying fine team work and cooperation, the Union Oil five won over the Central Pharmacy by a score of 13 to 10 in the first game of the night. With the score standing 10 each, the Anderson-Brown vs Standard Oil contest was run into an additional five minute period, during

which two fouls were called upon the gasoline aggregation, resulting in a final score of 12 to 10 in favor of the sporting goods men.

These games are attracting larger crowds as they progress, and basketball such as is seen ordinarily only in collegiate centers

is being displayed at the armory. Line-up of the games last night were as follows:

Central Pharmacy—Sparks, McKinney, forwards; L. Perrine, center; V. Perrine, Petram, guards.

forwards; Ross, center; W. Ashby, Williams, guards.

Anderson-Brown — Harra, Brown, forwards; Gregg, center; Cadwell, Lennon, guards. Standard Oil—Edwards, Kenney, forwards; Strahorn, center; Waters, Jones, guards.

Are You Using this Free Service?

It comes with every sack of cement. It has been made possible through the Portland Cement Association by the eighty-six cement manufacturers who are its members.

They realized that important research and educational work was necessary to give people the best information on how to use cement. They also realized that this could be done better by unified effort than by any individual company alone.

As a result, you may have for the asking the benefit of this Association's long and exhaustive studies on how best to use cement for the most satisfactory results in concrete construction.

Whatever use you plan to make of cement—whether you are building a concrete hog house or concrete dairy barn, a stretch of concrete walk or a concrete road, a silo or a skyscraper, a home, workshop or a factory—you needn't guess. You can know.

If you want information about the usefulness of concrete under certain conditions, how to mix or place it to get the greatest value out of every sack of cement—you can get it by writing any one of our 28 offices listed below.

Supplying dependable information without charge by booklet, by letter or by personal conference when necessary, is the work of this Association. Millions of helpful booklets, covering a multitude of uses of concrete, are distributed annually to people who know they needn't guess—who know they can get the facts from us.

One of our new booklets, "Concrete in Home Sanitation," will surprise you with the number of easy ways in which concrete can be used to make the home healthier and happier. Address our nearest district office for your free copy.
