## COLLEGES HAVE NO CONTROVERSY

### Discussion of Post-Season Football Games Fails to Come to Issue

SAN FRANCISCO, Dec. 10.—The predicted controversy over post-season football games failed to materialize at the annual meeting of the Pacific coast intercollegiate conference, according to delegates who have just concluded an executive session at Berkeley, Cal.

The general opinion was, members said, that there would be no objection to post-season games provided the colleges affected managed them.

Leslie Henry, of the management for the tournament of roses in Pasadena, Cal., whose east-west game has been an annual feature for some years, assured the conference that any of its colleges playing there would be allowed to take charge of the arrangements.

It has been reported that the University of Nevada and possibly Gonzaga university would apply for admission to the conference, but the only application received was from the University of Montana, which was granted. With Montana added, the conference now includes nine universities, the others being the University of Washington, Washington State college, the University of Oregon, Oregon Agricultural college, Stanford university, the University of California, the University of Southern California and the University of Idaho.

The conference adopted one rule designed to prohibit the proselyting of high school football stars. This provides that no player pledged to a college fraternity while he is still in high school will be eligible for a college team.

## Condolences Sent to Ball Player's Family

## Basketball Schedule Is Being Arranged By Coaches

Guy L. Rathbun, athletic coach for Willamette university, was in Portland Monday attending the meeting of the Northwest Collegiate Athletic association. It is the purpose of this conference to arrange a basketball schedule for the season just opening.

The coach has divided the Willamette hoop artists into three groups and by using the process of elimination has developed a very creditable squad of about 15 men from 50 or more aspirants.

As only a few practices have been held it is impossible to designate the first team. It is expected that several games will be arranged for the second team as well as the first.

## Idaho Hoopsters Will Make Barnstorming Tour

MOSCOW, Idaho, Dec. 10.—A two weeks' barnstorming tour that will carry the team through eastern Washington and northern Idaho is planned for the University of Idaho basketball squad, following a custom established several years ago. Twelve men will make the trip with Coach MacMillan, it is announced, and of that number only one will be a letter man from last year.

## Portland Boxing Card Postponed By Hansen

PORTLAND, Ore., Dec. 10.—A boxing card arranged for Tuesday night by the Portland boxing commission has been postponed to Thursday night, and the main bout between George Lamsen of Portland and Frank Zell, a Chicago heavyweight, has been cancelled. Matchmaker Hansen is trying to find another match to take the place of the headliner. Zell's workouts in the gym convinced Hansen that he would not be a good match for Lamsen.

## Sportsmen's Club Has Celebration at Silverton

SILVERTON, Ore., Dec. 10.—(Special To The Statesman.)—The Orangemen, a sportsmen club of the Silverton high school, entertained the high school student body at a masquerade carnival Friday night at the Eugene Field auditorium. A sum of 25 cents was charged as admittance to defray the expenses. The admittance was converted into \$100 in bogus money for the students to spend at the various carnival booths for "cats" or at the courts for marriage licenses and divorce decrees. The affair was reported a wonderful success.

The last double-header on the schedule will be staged at the armory tonight, when the ONG and Anderson-Brown quintets meet in the opening game and are followed by Bankers vs. Union Oil. Thursday night the Bankers will meet the Central Pharmacy in the last scheduled contest. The postponed games will be played by Anderson-Brown vs. Standard Oil and Central Pharmacy vs. Union Oil.

## Execution of Covell Is Stopped By Court

A certificate of probable cause has been signed by Judge Kendall of the circuit court for Coos county in the Arthur Covell case, which automatically stays the execution of Covell by hanging, which was to take place December 21. The reason for the move is that the case is to be appealed. Covell was convicted of first degree murder on the charge that he instigated the death of his sister-in-law, Mrs. Ebba Covell of Coquille, who was slain by her stepson.

## Dempsey Allowed to Put On St. Louis Exhibition

JEFFERSON CITY, Mo., Dec. 10.—The state supreme court late today denied the application of the state of Missouri for a writ of prohibition to prevent enforcement of a circuit court injunction restraining police from interfering with a boxing program in St. Louis tomorrow night at which Champion Jack Dempsey will appear in an exhibition bout.

## SOLDEIR BOYS HOT AFTER BOXING TITLES.

Eddie Burnbrook, heralded as the greatest boxer the United States Army ever has developed, has been boxing professionally only two years and has scored forty-four knockouts in fifty-three bouts. Bobby Garcia, perhaps better known than Burnbrook, is also a promising youngster.

## GENE TUNNEY KEEPS TITLE AS CHAMPION

NEW YORK, Dec. 10.—Gene Tunney of Greenwich village successfully defended his American light heavyweight title in a brilliant 15-round match with Harry Greb of Pittsburgh at Madison Square Garden tonight. Tunney's body attack earned him the judges' verdict despite a whirlwind rally by Greb in the last round.

Tunney forced the fighting from the start despite frequent and spectacular rallies by Greb. He checked the effectiveness of the challenger's peculiar attack and gradually weakened the Pittsburgher with a ripping, crushing drive to the ribs and stomach.

At times Greb's tactics bewildered the champion but though the challenger often landed with long swings to the jaw and body, they seldom stopped the champion's steady body fire. Tunney had Greb in distress in several of the closing rounds, but in the fourteenth, Greb unleashed a furious attack that threatened for a moment to topple the champion.

## ROSEBRAUGH WINS RHODES HONORS

Before attending the state university Rosebraugh was a student at OAC for a short time. While in high school he was known for his scholastic ability and was active in student activities. He completed the four year course in three years. The scholarship carries about \$1800 a year and is good for three years. Each state elects two years out of three, giving 32 elections annually. For the 32 appointments this year there were 357 candidates representing 145 American colleges and universities. The award is made on the basis of character and personality; scholastic ability and physical vigor whether shown by participation in outdoor sports or in other ways. Members of the board of examiners were Dr. P. L. Campbell.

president of the University of Oregon, chairman; Dr. Richard F. Scholz, president of Reed college; secretary; Dr. W. C. Barnes of the University of Oregon and Dr. J. B. Harrison of the University of Washington.

## Skirts Short, Legs Just Ordinary, But Some Fun

The kilt was a bit short and the stockings finally wiggled off, exposing a couple of dozen pairs of ordinary legs, none of which could be entered in a perfection show.

There was a good crowd present at "Hello Prosperity," and it was an unusually funny show. The comedian deserves special mention. He was one of the best, who have come here. There was a lot of good singing, a couple of young fellows did an exceptionally good dance and the jazz orchestra was a scream. The orchestra was under the direction of Miss Jane Frayne, who did an unusually good job of it. It was one of those uproarious, outrageous, delicious, non-sensical nothings that never knew where it was going, never got there, but was a scream from start to finish.
