Subway Toyland

Is the Largest Most Comprehensive Stock of TOYS

In the Willamette Valley including a great many Toy Stores in Portland

OUR REASONS

LAST February when the manufacturers' Toy Fair opened in New York City, our Toy buyer was "Johnny on the Spot" to buy this season's toys. Both foreign and domestic toys were shown in all their glory. Our buyer bought and bought. Many new and interesting Toys, never shown before, were collected at this time and in less than five weeks after Toy Fair had opened, nearly every line had been sold and withdrawn from the markets. We feel fortunate indeed that our lot was cast with the early buyers. If you have not visited Toyland, come now and see this veritable Wonderland of gift things.
