Capital Post to Help Make History Text-Book

Capital Post No. 9, American Legion, will have an active part in the United States history textbook now being prepared by the American Legion which hopes to place it in all the public schools of the country. Photographs of a painting of any important historical event connected with the state are requested in a letter recently received by Cornelia Marvin, state librarian, from Garland W. Powell, chairman of the national Americanization and United States history committees.

This letter was turned over to Braxler C. Small, adjutant of the post, with the suggestion that any

one of three paintings might be used. Those suggested by the librarian were portraits of Dr. McLaughlin and Jason Lee, or the painting at Champoug commemorating the decision to make Oregon a part of the American territory. Sam Kozar, secretary of state, has promised to assist in this matter. A committee from the legion will be appointed to investigate and have the power to act favorably in the matter.

POLEY PILLS BRING RELIEF

"POLEY PILLS are the best I have tried. My kidneys work a lot better since I received your generous offer," writes John W. Brogan, Adams, Mass. POLEY PILLS are a diuretic stimulant for the KIDNEYS and while being taken close attention should be paid to the diet. Avoid sweets, pastry, starchy food, alcoholic drinks, tea and coffee. Drink plenty of good fresh water, and keep the body warmly clothed. Refuse substitutes. Sold everywhere.—Adv.

ROTARIAN FINES GO FOR CHARITY

Charley Archerd Levies Heavily on Members for Christmas Fund

Nearly \$100 was raised at the Rotary club luncheon yesterday by a special system of fining and will be turned over to charity. Charles Archerd was placed in charge of the short and snappy collection. Fines levied ranged from 25 cents to \$2 and were levied singly and in groups.

Personal comment, with a humorous fling at the occupation of each member, was made by Mr. Archerd. Failure to give the collection quickly to a problem cost George Hug, superintendent of schools, a dollar, while contributions were extracted from Bob Boardman, for being too tall; I. L. (Ike) Patterson, who was addressed by the title of "Calvin," and Al Pierce, who was unable to recite the 10 commandments.

HAVE KIDNEYS EXAMINED BY YOUR DOCTOR

Take Salts to Wash Kidneys if Back Pains You or Bladder Bothers

Flush your kidneys by drinking a quart of water each day, also take salts occasionally, says a noted authority, who tells us that too much rich food forms acids which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weaken; then you may suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To help neutralize these irritating acids, to help cleanse the kidneys and flush off the body's urinous waste, get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate sluggish kidneys; also to neutralize the acids of the system so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive; cannot injure and makes a delightful effervescent lithia-water drink. By all means have your physician examine your kidneys at least twice a year.

the statue, "The Circuit Rider," on the state house grounds February 23, was called by R. O. Snelling, president, who appointed a committee of past presidents to arrange for Rotary participation in the event, as it is coincident with Rotary birthday. Those on the committee are H. S. Gile, George Griffith and John McCarty. A personal letter from Miles Higley, district governor, was read.

Novelty glare shields presented to all members having automobiles with the compliments of the Webb Funeral parlors, bring forth much comment. Pink carnations were at each place, the contribution of R. O. Snelling. Music was furnished by three Salem high school girls, solos by the Misses Ruth Tucker and Mary McCrone, with Miss Kathryn Van Doren at the piano.

Organization of Prune Exchange Will Be Soon

Organization of the Northwest Prune exchange is expected to be completed by February 1, according to Fred Drager, of the Drager Fruit company, who believes that the smaller associations will come in readily when they understand the general plan. It is also hoped to induce the Oregon Growers association to enter the exchange.

The present plan will organize the northwest into units such as Douglas county, Dallas district, Clarke county, Wash. Five directors will be chosen from each district, and these will have the power to fix prices and select a manager or selling agent.
