The Happy 'Stay-at-Homes'

Dad's Discovery

Dad found a new game for two the other day that out-thrills even the "movies." No outside attraction has a chance now against the lively fun the young folks find right at home, since he discovered the latest, greatest game for two.

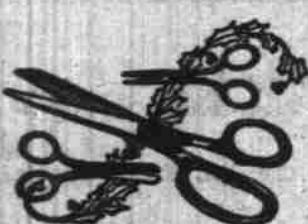

BLOX-O

The sensational new game hit--totally "different"--play is fast and furious, a 3-ring circus of fun. Keeps players on edge every minute with thrills and surprises and narrow escapes. For sale by
