

THEATRES MOVIES

OREGON—"Thundering Dawn." LIBERTY—"Bright Lights of Broadway." GRAND—Albertina Kerr Nursery Benefit. BLIGH—"The Blonde Vampire."

The Liberty theater is promising its patrons something different from the usual run of pictures when "Bright Lights of Broadway" commences today. It promises that in this it will offer a page taken from life, itself—big dramatic situations and appealing human touches.

Picture goes at the Oregon theater last night were treated to an excellent film spectacle of the colorful life of tropical Java, in "Thundering Dawn" which stars Anna Q. Nilsson and J. Warren Kerrigan.

A typhoon and tidal wave which wipe out a dissolute port, furnish a gripping dramatic climax seldom seen here. Few of the picturesque horde that frequented the leading resort, escape with their lives. Artificial lightning and an inrush of sea are ably used to portray the destruction violence of such a storm.

Desacia Moores, the dazzling blonde beauty, who stars in "The Blonde Vampire," at the Bligh theater Thursday, is the daughter of Count Francis Ferdinand Saville, Spanish nobleman, who forsook his title when he came to this country, and accepted a commission to pioneer the territory west

COUNTY BUDGET GIVEN APPROVAL

Remains as Passed on By Supertax Commission—Van Trump Not Paid

The Marion county budget was approved by the budget committee yesterday as it was previously approved by the conservation and supervision commission, which has since been declared an unconstitutional board. The budget committee merely ratified the budget as it had been prepared by the commission. This was done because as stated by members of the court yesterday, "the budget was all right as ratified by the commission and furthermore it would be very hard to change it now without a great amount of extra work for the assessor on whose books many of the extensions have been made."

The provision for the expenses of the commission itself, which had been fixed at \$935, was turned to county court expenses and court expenses. No provision is made to pay the \$500 salary of S. H. Van Trump, who served as secretary of the defunct commission.

Members of the budget committee are Sam H. Brown of Gervais, J. A. Baker of Salem, and T. B. Jones, together with the members of the county court. Nearly 100 county judges and commissioners with their wives are expected to attend the three-day convention beginning Thursday. With various other county officials eligible to attend, it is anticipated that there will be nearly 150 here.

Lunch will be held at the girls industrial school Thursday, with dinner at the boys training school. Friday will be spent at the state prison, with dinner at 5 o'clock at the institution, with a fine list of speakers. Music will be furnished by the prison band of 25 pieces. Prison management and reform will be the theme of the addresses.

Saturday will be spent on the state hospital grounds as the guests of Dr. R. E. Steiner. Lunch will be served there at noon. The annual banquet will be held that night, the climax of the convention.

Film Endorsed by Traffic Officials Coming Friday

Endorsed by T. A. Raffety, chief state traffic inspector, the film, "Driving Fool," will open Friday night at the Grand theater for a three-days' showing.

The story is of a drive across the continent from the Atlantic to the Pacific in six days, and it is considered that the story will be a help in the fight for safer driving, which is being made by the state traffic officers. Sam Egozer, secretary of state, has also endorsed the film. It is a six-reel picture.

Wally Van plays the leading role and it is said the picture is better than any of the Wallace Reid pictures, including one in which he played which had a similar theme.

English Labor Party Celebrates its Victory

(By The Associated Press) LONDON, Jan. 8.—In a great demonstration in Albert hall tonight, the British labor party celebrated its victories in the recent general elections. It pledged its united efforts to constructive work toward rehabilitation of Great Britain, Europe and the world at large, it called upon, as seems a certainty within 10 days, to assume the task of governing the British empire. "We have been in the battle, and we have brought back the trophies," said J. Ramsey MacDonald, the party leader and principal speaker. On the platform were seated most of the 1923 labor members of the house of commons.

Basketball Game Will Dedicate New Gymnasium

Salem high school will dedicate the new gymnasium tomorrow night at 8 o'clock when its basketball team meets the McMinnville quintet in the first of the inter-scholastic contests to be staged at home.

The greatest problem confronting the team is that of providing adequate seating facilities for the spectators as bleachers have not yet been erected.

Probability of a red and black victory is seen through the recent defeat by Salem of Newberg, which was evenly matched with the McMinnville aggregation last year.

Old Oregon Trail May Be National Highway

United States Senator Charles L. McNary will introduce a bill in congress providing that the Old Oregon trail be designated as a national highway. The senator sent this information to Governor Pierce yesterday, saying he had so decided after conferring with the chief of the bureau of public roads. Governor Pierce recently wrote Senator McNary requesting that this be done.

GOOD RECORD BY CLUB MEMBERS

Financial Report on Boys' and Girls' Work Made By W. H. Baillie

The value of work done and stock raised by boys and girls club members in Marion county during the year ending November 30, 1923, was \$8,480.85, according to W. H. Baillie, rural school supervisor, who is in charge of the club work in this county. The cost of producing the stock and the other projects was \$5,377.07 leaving a net profit to the boys and girls of \$3,103.78. With 331 members of clubs completing the work this makes an average of nearly \$10 net profit for each member.

Fifty two pig club members made a net average profit of \$30.13 each or \$1,566.90. The total value of the pigs raised was \$4,383.22. The cost was \$2,816.32. Corn raised by club members was valued at \$223.53, cost of production \$20.75 with a net profit of \$192.78. Poultry raised by members was valued at \$143.65 at a cost of \$74.58 leaving a net profit of \$69.07.

Sheep were valued at \$890.60 and cost \$618.88 leaving a profit of \$271.72. Calf club members stock was valued at \$1,200 and the cost was \$924.47 leaving a profit of \$275.53. Sewing club members' work was valued at \$358.75 and cost \$228.42 leaving a net profit of \$130.33. Cooking club members' work was valued at \$1,281.10 and cost \$683.85 leaving a profit of \$597.25.

A scale of valuation is used for the various projects by club leaders. This is made up of especially in the case of sewing and cooking club projects where no selling price can otherwise be determined.
