## For Our Mutual Benefit

In order to meet the requirements of our rapidly increasing business it was necessary for us to effect a thorough reorganization, which under the name of BISHOPS CLOTHING AND WOOLEN MILLS STORE, Inc., has been accomplished with ample capital, unequalled buying facilities through knowledge obtained by our direct connections with woolen mills and manufacturer, and a competent and thoroughly trained sales force, we can guarantee a perfected service--an institution second to none in the state. For our mutual benefit we ask the hearty co-operation of the public.
