Rich L. Reiman, local realtor. quarters at 229 Oregon building. Major, a brilliant number. All office equipment is new and up to date, presenting a very atan independent operator, and is a member of the Marion-Polk County Realty association and the multiple listing bureau.

Mr. Reimann moved from Dallas to Salem last April, after having been in the real estate business for the three preceding years. He had been a resident of Polk county for 10 years before locating in Salem.

Incidentially, Mr. Reimann is one of the best boosters Salem and the Willamette valley pos-

#### Better Auto Park Will Be Topic of Dispussion

For the purpose of discussing a better auto park for the benefit of tourists who will visit Salem this summer, Mayor John B. Giesy has called a public meeting ope today is the producer but to be held at the Chamber of Commerce auditorium Thursday

night, February 14. The Chamber of Commerce and various other civic organizations have already given formal expression to the need of a camp ground greatly better than the one here at present.

Unless the general public is satisfied with the present condition of the auto camp, it is possible no remedy or movement will

#### PROSPECTS GOOD

Prospects for building this year are bright, according to Oliver Myers, of the C. K. Spaulding Logging company. While the demand is not brisk at present, there is still a steady movement

National Bank Head Coming Walter W. Head, president of the Omaha, Nebraska, National bank, and president of the American Bankers' association, will be at Seaside, Oregon, June 14 and to attend the Oregon State Bankers' meeting, and tentative arrangements have been made for the head of the national association to visit Eugene, according to C. D. Rorer, president of the Bank of Commerce, of this city, and representative of the 12th federal reserve district on the argricultural committee of the A. B. A.

Mr. Head is nationally known among bankers and expectations are that efforts will be made to have the visitor address a meeting in this city, according to Mr. Rorer. The national associattion president, known as the "Granger President," owing to his interest in the agricultural development of the United States, will undoubtedly have an interesting and constructive message, Mr. Ro- a varnish stain of unusual wear-
