### IDAHO BASKETEERS WIN FROM OREGON

Lemon Yellow Team Takes Time Out Once Too Often—Score 27-25

EUGENE, Or., Feb. 23.—Idaho defeated Oregon tonight in one of the fastest basketball games ever witnessed on the local floor by a 27-25 score. It required an extra five minute period for the Idaho squad to register the winning basket. Oregon lost a chance to win the game by taking time out once too often.

The score was 25 to 24 in favor of Oregon but a few minutes to go, when Oregon called time out, allowing Idaho a free shot. Telford, Idaho captain, converted

the foul, causing the game to go the extra period, and Remer, connected for the winning tally in the first two minutes of the extra period.

Chapman despite an injured knee, played good ball, but was unable to locate the basket when points were needed. Both teams checked closely and very few open shots were allowed. In the first half Idaho connected with the basket seven times to four for Oregon, but the varsity converted seven fouls making the score 15-all at the end of the first period.

In the second half Idaho came back strong and forged into a five point lead, but two baskets and a foul tied the score. Fitzke with four field baskets was high point man for the winners. Latham scored three field baskets and converted three fouls for a total of nine points.

The loss of this game may eliminate Oregon from any chance at the conference title.

The summary: —Oregon Penwell..... F..... Gowans Remer..... F..... Hobson Fitzke..... C..... Latham Nelson..... G..... Gillenwater Telford..... G..... Chapman Scoring: Goals from field, Idaho: Penwell 2; Remer 2; Fitzke 4; Nelson 2; Telford 2. Fouls converted: Penwell 1; Telford 2. Goals from field, Oregon: Gowans 2; Hobson 1; Latham 2; Chapman 1. Fouls converted: Gowans 5; Hobson 2; Latham 3; Chapman 1. Referee—Coleman, OAC.

### FRANCE HAS QUAKE

TARBES, France, Feb. 22.—An earthquake this afternoon at 3:32 o'clock rocked buildings here and at Bagneres, Caeteres and other places. The walls of some buildings were cracked while doors were thrown open and furniture was broken. The shock lasted 10 seconds. At Bagneres the populace, panic stricken, fled from their homes.

The only thing that prevents the formation of a third party is the conviction that it would finish that way.

### ANOTHER SMOKER FRIDAY NIGHT

Phil Bayes Will Fight Ted Horton of Kelso in Six-Round Battle

Phil Bayes of Salem and Ted Horton of Kelso, Wash., will be the headliners in a boxing smoker to be given at the armory on Friday night, Feb. 29. Horton is said to be a boy of a lot of repute and a savage punch.

The semi-windup will be a bout between Bill Poole, 170 pounds, the Monroe slugger, and Lefty Dewey, 175 pounds, Oregon City. Jimmy Fargo and Frankie Lee, the former a Salem sensation, and the latter a Portland Chinese boxer, flyweights, will furnish an entertainment scheduled to go six rounds, unless one of the boys tumbles for the count before the end of that time. Shadow Greeting and Ted Barnes will go four rounds, and there will be one other four-round preliminary. Women will be admitted free.

### Another Rehearsal By Lions Minstrels Today

With a rehearsal scheduled for this morning and a final practice Monday night, the Lions club is ready to present its second annual minstrel show for the benefit of the Boy Scout movement at the Grand theatre next Tuesday and Wednesday nights. Rehearsals for the minstrel show have been held twice a week for more than two months.

An extra attraction has been obtained through a friend of F. Ray Felker, who volunteered to stay his special car carrying an educated horse to California. "Spot," as the animal is called, is said to be a master of his kind. Lion Felker has painted special scenery for the show and his work is well known to Salem people. The show will take nearly two hours and a half to present.

All songs, jokes and some of the features which are being kept for a surprise are brand new and are nicely adapted to a show of this nature.

The first act will be devoted to old-time minstrel stuff, with the second act featuring a variety of vaudeville, including Frank Wager in "Black Magic," and "The New Valet," presented by the Lions club string quartet. Guy L. Rathbun, of Willamette university, has something of a novel character that he is ready to spring at the proper place in the program. An old plantation act will be featured. This is said to be the best of its kind ever offered in Salem.

Following are a few of the hits: "I'm All Broke Out With the Blues," sung by Mr. Felker; "Bughouse Fables," by Claude Stevenson; "Indiana Moon," by Al Krause; "M. T. Pocket Blues," by Ed. Chaastain; "Oh You Little Son of a Gun," by Lloyd Strausbaugh, and others.

Merrill D. (Hike) Ohling, will be interlocutor, with Frank Zinn, F. Ray Felker, Dr. S. F. Scott, H. R. (Rufe) White, Dr. Carl Woner, Lloyd Strausbaugh, Claude Stevenson and E. R. Chaastain as end men. Soloists will be Leslie Springer, Otto Hoppes, Al Krause and S. N. Willett. Members of the chorus are C. D. Adams, Dr. Chal. L. George L. Lunsford, Edgar Rowland, John J. Rottle, W. T. Hickey, Frank Kellogg, T. C. Waters, E. T. Bussell, Jr., A. M. Follrick, Reed Rowland and C. F. Giese. Rufe White will present one of the big features of the program.

### Common Laborers are in Majority at Local Bureau

Half of the common laborers were placed, 37 registering, 26 sought, 24 referred and 18 reporting placed. Farm hands and agricultural workers were equal in number, there being 26 of the first group registering, 12 in demand, 9 referred and 8 placed. Of the second group 25 registered, 10 were in demand, the same number referred and 7 reported as having found a place. Three engineers registered, with no calls for this line of work. One building trade mechanic registered and was placed.

Only eight women registered, with four calls for female help. Three were referred and placed. This help was classified as domestic and kitchen or pantry workers, there being five of the former and three of the latter.

### Bronchitis Best Treated With Vapors

Direct Treatment with Vaporizing Salve Immediately Reaches Congested Air Passages.

If a cold has been neglected and has gone down into the chest, producing acute bronchitis, thoroughly redden the skin over throat and chest with hot, wet towels to open the pores. Then massage briskly with Vicks for five minutes, spread on thickly and cover with two thicknesses of hot flannel cloths.

For hours after Vicks is applied the vapors of Camphor, Menthol, Eucalyptus, Juniper Tar, etc., are inhaled directly into the infected air passages. At the same time Vicks is absorbed, and stimulates the skin like a poultice or plaster.

Being externally applied, Vicks is especially good for children and is used by millions of mothers to prevent or relieve cold troubles.
