OREGON SCHOOLS ARE CRITICISED

Bishop Declares Courses Should Aid Marketing and Not Production

State schools, particularly Oregon Agricultural college and the University of Oregon, are devoting themselves to instruction of producing whereas they should instruct students in the selling end in order to find a market for Oregon products, according to C. P. Bishop, of the Bishop Woolen Mills store, who spoke at the Thursday luncheon of the Marion-Polk County Realty association.

Mr. Bishop touched upon several things pertaining to the welfare of the community. The present year will bring a forward move, he said, and indications for a good year are to be seen. In order to keep stride with the development movement in Salem should, without the aid of eight or 10 individuals, but with everyone having an interest, build the YMCA building this year, which, he continued, would be a great inducement for people to locate in the district, for with the present system of good roads, boys who live several miles in the country are now able to enjoy certain privileges that were heretofore enjoyed by city boys alone.

Beginning at a point on the north line of the donation land claim of Isaac N. Gilbert and wife in township 7 south, range 2 west of the Willamette meridian, in Marion county, Oregon, said beginning point being north 89 degrees 45 minutes west, 2.451 chains from the northeast corner of a tract of land deeded by L. K. Page to F. Mickenham on June 10, 1903, said deed being recorded in Marion county records, book of deeds, volume 82, page 523, and running thence south 20.40 chains to the center of the road leading from Salem to Howell Prairie; thence north 89 degrees 45 minutes east, in the center of said road, 7.353 chains to the southwest corner of a tract of land deeded to Bird Mickenham, December 16th, 1909, and recorded in book 111, page 79 of deeds; thence north 20.40 chains to the north line of the said donation land claim of Isaac N. Gilbert and wife; thence south 89 degrees 45 minutes west, along the north line of said claim, 7.353 chains to the place of beginning, containing 15 acres, more or less, in Marion county, Oregon; and that the plaintiffs are the owners in fee simple of the said premises and their title be forever quieted, and you and each of you be forever barred and enjoined from asserting or claiming any right, title, estate, lien or interest in or to the said premises adverse to the plaintiffs' said title.

Mr. and Mrs. Henry A. Oberlander of Ashland were in the city yesterday.

SILVERTON, Or., Feb. 28.—(Special to The Statesman.)—As the high school basketball season is drawing to a close the students are beginning to turn their attention to other forms of athletics. It is said that prospects for winning teams in track and baseball are promising. Already four former letter men are out for baseball with six put for track. Much good new material is also in evidence. The tennis teams are beginning to line up.

Attorney Fred A. Williams returned to Salem Thursday from Grants Pass where he was called by legal business the first of the week.

WSC COUGARS WIN FROM WILLAMETTE

Bearcats First to Score—Play By Fasnacht Is Feature of Game

After taking a three-point lead at the first of the game and holding the big end of the tally until the last three minutes of the first half, the Willamette Bearcats slowed down on their speed and let the W S C Cougars break through for a 23 to 18 victory in their battle here last night.

Willamette started the count in the first minute after the opening whistle when Hartley dropped in a free throw and Patton came back over after with a neat field goal. Si Morgan began the Washington score with a two-point counter and led a fierce attack which, nevertheless, failed to capture the lead until shortly before the close of the half when the visitors rang in a field goal that destroyed Willamette's 6 to 5 lead.

In the second half the Washington five kept their score mounting steadily and a desperate rally by the Bearcats in the closing minutes only succeeded in reducing the lead from nine to five points.

The lineups follow: Willamette Shultz, F.; Robertson Logan S. Morgan, C.; Hartley Kelson, G.; Erickson Reese, G.; Patton Substitutions: Willamette, Fasnacht for Logan, Logan for Fasnacht, Fasnacht for Patton, Patton for Erickson, Erickson for Fasnacht, Jones for Hartley. WSC, Samuels for Kelson, L. Morgan for Nolan, Nolan for Shultz.

Referee: Coieman of OAC.

KNOCKOUTS ARE BEING PREDICTED

At Least Two Boxers May Hear Birdies Sing at Armory Tonight

Most of the boxers who are to participate in the card at the armory tonight, starting at 8:30, will be in town early today.

Indications point strongly to at least two knockouts tonight. Both Phil Bayes and Ted Horton, who furnish the headliner are of the boring-in type, and when boys of that kind get together something is likely to happen.

Bill Poole, who is to fight Lefty Dewey, the Californian, has a wicked punch, but Dewey claims he has never been knocked out, so a sleep-producer from one or the other wouldn't be a surprise tonight.

To make sure of a good entertainment Matchmaker Paul Burris scheduled the main event and the two best preliminaries as six-round affairs, insuring plenty of action all the time.

The Salem boxing commission announced last night that children under 16 will not be admitted to the fights unless accompanied by parents or guardians.
