THREE SALEM MEN ON ALL STAR TEAM

Gill and Latham on Mythical Line Up and Shafer Given Second Place

SEATTLE, March 14.—University of Washington, University of California, University of Southern California, University of Oregon and Oregon Agricultural college landed berths on the official mythical all-Pacific coast basketball team for 1924, according to special dispatch received today by the Post-Intelligencer from Fred Bohler, director of athletics at Washington State, and western representative of the basketball rules committee.

The quintet selected includes Gill, OAC, and Talt, California, forwards; Latham, Oregon, center; Kincaid, Southern California, and Welts, Washington, guards.

Mr. I. Knowlitt Human patience has its limitations!

"Kincaid of Southern California is given a guard place on the strength of his general value to the team. His speed enables him to score points, and yet cover his man on the defense."

"Welts of the Huskies is given the other guard position owing to his rare basketball instinct. His records show that he has outscored his forward in a number of games and that he is an excellent shot."

"He is one of the cleanest players in the conference, only ten personal fouls being called in sixteen games."

"Gill of OAC has keen knowledge of the game coupled with remarkable basketball intuition and scoring ability from any angle on the floor."

"Talt of California is a good running mate for Gill being aggressive and having a wonderful ability to score on short, close, follow-up shots."

"Latham of Oregon possesses general all around ability. In addition to these players deserving mention are: Forwards, Heeketh, Washington; Gowan, Oregon; Schultz, Washington State, and McIlhose, Stanford, Guards, Shafer, Oregon, and Teiford, Idaho, and center, Fitzke, Idaho, and Hilman, Montana."

WEST OREGON TEAMS LEADING TOURNAMENT

and Connors of the St. Helens team from the floor during the first half via the personal foul route. With both of these men in the game, however, the results would have been no different. The Eugene men are fast, lanky and clever. St. Helens' guards were unable to stop the fast dribble of

the Eugene men for the basket without committing personal fouls—the one department of the game in which they excelled. Eugene looked and played like champions throughout the contest.

The fastest and best game of the series, considered from all angles, was the mix between Medford and La Grande. The team work of the Medford team, composed almost entirely of veterans of last year's tournament, was superb. The passing, floor work and shooting of both teams rivaled college class. Chastain of Medford was high point man with 14 count-ers, but was rivaled by Hummel of the eastern Oregon crew with 13 to his credit. Medford won on their uncanny ability to keep the offense and to follow in shots under the basket. The final score was 35 to 29.

Bend Has No Chance The usual bedlam from the Salem rosters broke loose as soon as Independence appeared on the floor for the game with Bend. Their unpopularity, however, did not seem to affect their playing.

The Bend team never had a chance. Their size was a marked handicap to them. Although clever little passers and hard fighters, these midgets of the tournament lost steadily because their towering opponents took the jump every time and tipped shots off the back board for repeated scores. The result: Independence 25; Bend 19.

PAROLE SALEM BOY FROM 3 YEAR TERM

EUGENE, Ore., March 14.—Halford Martin, a Salem youth, who has been held here for some time on a charge of passing bad checks, today was sentenced by Judge Skipworth of the circuit court to serve three years in the state penitentiary and was paroled to his father, B. S. Martin.

NOTED LECTURERS COMING FRIDAY

Hamilton Holt and Dr. Nehemiah Boynton Will Lecture on World Issues

Dr. Nehemiah Boynton and Hamilton Holt, two of the most noted men in the platform and literary life of America, will be in Salem next Friday for two addresses to students and an appearance before a mass meeting at the First Methodist church in the evening. They will speak on the subject of international friendship and are traveling under the auspices of the World Alliance for International Friendship Through the Churches.

Hamilton Holt is editor of The Independent. He is widely known as a publicist and as an active worker in a number of organizations for the purpose of promoting international friendship. He represented the League to Enforce Peace at the Versailles peace conference. Among the organizations in which he is an officer or director are the League to Enforce Peace, the American-Scandinavian Foundation, the American Society of International Law, the Japan Society, the Italy-America Society, National Institute of Social Science, Church Peace union, and the World Alliance for International Friendship.

Dr. Boynton is one of the leaders of American Congregationalism. Born in Medford, Mass., and educated at Amherst college and Amherst Theological seminary, he entered the Congregational ministry in 1882. He was connected with the churches in Littleton, Haverhill, and Boston, Mass., and Detroit, Mich. From 1919 to 1923 he was moderator of the Congregational National council of the United States. About a year ago

Dr. Boynton resigned his pastorate at the Clinton Avenue Congregational church of Brooklyn, which he served since 1906, to devote all his time to the work of the World Alliance for International Friendship. He is chairman of the management committee of the World Alliance. During the war he served as chaplain, entering the federal service in 1917. He is just back from a three months sojourn in China in the interests of international good will.

The two lecturers have been secured for a month's engagement in the Pacific northwest. While here next Friday they will address the high school students at the high school auditorium and the Willamette university students at Willamette chapel in the forenoon, and the mass meeting at the First Methodist church in the evening at 7:30 o'clock. Their coming to Salem is under the auspices of the Salem Ministerial union.

PACIFIC COLLEGE MAN IS WINNER

"Ku Klux Klan and National Unity" Subject of Winning Oration

Merle Bonney of Willamette university placed fourth in the state intercollegiate oratorical contest held last night at Linfield college, McMinnville, according to an incomplete telephone report received by The Statesman at a late hour last night. The representative from Pacific college whose name could not be learned—took the state honors with his oration, "The Ku Klux Klan and National Unity."

The speaker from the University of Oregon with his oration, "A Call to Service" ranked second in the contest, and the Pacific university man took third with "A World Court and International Justice." Mr. Bonney's oration was entitled "The Great Advance." Eugene Bible university ranked fifth. Other colleges entered in the contest which failed to place were: Oregon Agricultural college, Reed college, Linfield college and Monmouth normal school.

The orations were judged prior to the contest on competition by three eastern authorities on oratory. The oratory coaches of the institutions represented judged on delivery, each coach ranking all speakers save the one from his institution. Harold Propp of Linfield college was state winner last year.

Colleges of the state will engage in a second contest with different representatives speaking on the general subject of "Peace" at the University of Oregon on April 4. The Willamette representative has already been chosen. The orations are now in the hands of the judges on composition.

"Irish" Meusel a Hold-out Because of Salary Cut But Whales Ball at Giants' Training Camp

When Emil Meusel, starward "Irish" Meusel, joined the Giants at Sarasota, Fla., he was deploring a cut in salary. Although he awaited the arrival of Manager McGraw before signing up, "Irish" proceeded at once to pound the ball with all of his old abandon. He is shown here picking out his favorite war club.

Willamette Loses Debate To Canadian University

The women's debating team of Willamette university lost unanimously last night to the women's team of the University of British Columbia, according to a message received by The Statesman last night.
