Dr. Harris I. Folk
Dr. Paul G. Stapan, 1484 State St., Salem, Oregon, are Chiropractic doctors.

The Abrams method of Electronic Diagnosis and Treatment is not taught Chiropractic doctors by Dr. Abrams or any of his colleges. These doctors, at 1484 State street, have removed the words Abrams' Method from their sign, but instead use the E. R. A. on their sign and advertisement. This is misleading and has caused persons to start treatment with them, thinking they were receiving the real Abrams treatment. The letters E. R. A., with periods after them, stands for Electronic Reactions of Abrams. While these doctors, who use the imitation machine, use the E. R. A., without the periods, this is misleading and has caused persons to be misled and to take their treatment. For facts address
