

**Teeth Stains Bleached Out New Safe Way**

Say Goodbye to dull, yellow-stained teeth! For a new harmless treatment—Bleachodent Combination—bleaches away the stains and makes teeth flashing white—often in just three minutes! Treatment consists of a mild, safe liquid which curdles and softens the stains—and a new kind of paste, which gently removes the softened stains and used daily prevents the formation of new stains. Does not affect enamel as its mild ingredients are especially combined to act only on surface stains—not on the enamel itself. Only a safe, mild preparation like Bleachodent Combination should be used on children's teeth which are naturally soft and sensitive, and which are especially subject to stains and decay. Fine for the gums. Get Bleachodent Combination today for few cents at all good dealers, such as Daniel J. Fry, Perry's Drug Store, The Central Pharmacy, Worth & Gray, Miller's.

**A FRIEND'S TRIBUTE**

By Ella McMunn.  
From the beautiful home on North High street where, for forty three years she has made welcome her friends and those of her distinguished husband, the last mortal remains of Mrs. George Burnett were taken yesterday, and after a brief service at the Webb chapel, sent to Portland for the final service.

Roses, lilies, orchids, carnations, every flower that the florists could coax into bloom filled the room where she lay in her last peaceful sleep that came to end long suffering. The beautiful service of the Eastern Star, of which she was worthy matron, was given, and although hundreds of persons filled the chapel, there were friends greater in number than the official positions throughout the state attended, and many whom Mrs. Burnett had befriended, down to the humblest toilers, met

to pay tribute, and never has there been greater evidence of sincere grief than when the silver-gray casket was closed upon this brave, kind and gentle woman.

**LETTER WRITING AIDS STUDENTS**

(By M. A. D.)  
LEIPSIC, March 3.—Six hundred Americans are writing to an equal number of Germans as a result of the efforts of the German Central Office for German-American Correspondence, opened in this city by Professor Hartmann. This interchange of letters has been arranged as a means of learning English and German. Most of the correspondents are high school and gymnasium pupils in the two countries.

Miss Pauline Remington left this morning for Portland where she will spend the spring vacation as the guest of Col. and Mrs. Percy Willis.
