MILWAUKEE PRECINCTS **REMAIN UNREPORTED**

Tabulators Busily Engaged in Settling Municipal Disputes of Metropolis

MILWAUKTE, Wis., April 2 .-maintained his two-to-one ratio in the voting of yesterday in the contest for delegates to the republican national convention at Cleveland when returns from 359 precincts out of 2574 in the state had reported early today. The, vote stood: La Follette delegates at large, 34,194; Coolidge delegates at large, 16,752,

MILWAUKEE, Wis., April 1 .--Crippled wires throughout Wisconsin, working overtime tonight with a burden of election returns gave indications that LaFollette delegates to the Cleveland convention would carry the state by a substantial margin, while in the Democratic camp the forces of W. G. McAdoo and Al Smith were stag-

ing a close race. At 11:30 p. m., 158 precincts out of a total of 2,574 in the state had reported in the Republican race for delegates. This number gave the LaFollette men 12,833 and Coolidge men 5,774. On the Democratic side, 115 precincts out of the total in the state gave Smith eral within two days. men 2,544, and McAdoo men

Crippled Wire Service Delay-ing Reports — Al Smith News Force All Gone Home, But That Makes No Difference-Printers and Proofreader of the Hawthorne race track, as a Atlantic states today. Winter Capable of Rising to Any Emergency-Foreman Suddenly Turns Into City Editor.

> The only "beat" that has been scored by any newspaper on the man-hunt for the convicts who escaped from the driven to the street. state penitentiary in a sensational and daring manner last Friday, was scored by the Statesman yesterday morning when it scooped the world on the capture of Ellsworth Kelly and Joe driven out except a woman elec- rear-end collision of elevated Jackson, two of the most desperate of the six.

Now the news staff of the Statesman makes the ignominious confession that it wasn't on the job, but the Statesman has a mechanical and proof-reading force that is capable of Senator Robert ,M. La Follette rising to great occasions-and it did so yesterday morning. The Statesman had been some time on the press. The news editor had been many hours asleep at home, and all the reporters had departed. The telegraph editor had gone home. Some of the printers and the proof-reader were lingering around the office. Why they lingered is purely the business

> of printers. The telephone rang. Al Clark, who ordinarily is foreman of the mechanical department, answered.
