INSTRUCTION IN SWIMMING GIVEN

George H. Corsan Appears at YMCA in Exhibition and Lectures
 Demonstrating his ability as a swimmer, George H. Corsan, nationally famous swimming instructor, appeared at the YMCA tank last night in an introductory exhibit followed by talks upon the subject.

SENATORS HIT FULTON FIERCELY

Portland Ball Club Loses to Salem in Sunday Game By 6-0 Score
 Biddy Bishop's Salem Senators demonstrated their superiority over the Fulton Athletic club baseball team of Portland Sunday by defeating them by a 6 to 0 score. Also the Senators showed that Salem this year has a team of hard hitters. Salem whanged one Fulton pitcher out of the box and landed on his successor freely.
 On the other hand husky Wayne Barhab, the Salem twirler, went through nine innings of brilliant pitching, allowing only four scattered hits and striking out nine of the Fulton batsmen.
 Bishop himself Sunday put up one of the finest exhibitions of individual work at third base that has ever been seen in Salem. He accepted chance after chance, some of them difficult ones, with-out an error, and qualified as the best all-round ball player in the state of Oregon. In the absence of Keene, Baird, one of Bishop's new acquisitions, went to first base and performed brilliantly.

A Startling Discovery

For six years, up to about two years ago, I was a wreck; then I discovered the wonderful remedy which cured me and which has made me feel as well as at any time in my life. And I now want you to have this wonderful remedy so you can use it if you should become sick.
 New York, April 21.—I was obliged to attend to everything, but I never could get a grip on my life. I was being forced to carry a great load and sent for our dear brother to come to see me, but he was not in a short time he said, where am I. You said, at Sell's in Cartersville. He said, if I am in Cartersville I am all right, his teeth chattering as if he was having a hard chill, and crying like a child. Most every time we had dinner at Terres, and at dear Dick's he had to leave the table and come home.
 I have gotten on a funny strain, but guess it was caused by looking over his last letter. He said he had taken a snow shoe tramp to the island and did not feel any effects of it. It certainly is wonderful how he has cured himself with this remedy.
 My sister is about 77. The balance of this letter of 8 pages does not interest us. She has cured herself.

 We have known Mr. Spear from twenty to fifty years. He has been a business man in Marquette for fifty years, and we know him to be an honest, upright man. Mr. Spear does not have to lie, so you can depend on what he says. If you are not sick now we advise you to get the name of remedy that has cured him of heart trouble, rheumatism and catarrh. It has made a new man of him. We never saw him looking so well as he is now—seventy-six years old. The circular is different from any you ever read—no humbug or swindle.

HARVARD'S VARSITY CREW AFTER PRACTICE SPIN IN NEW SHELL ON THE CHARLES RIVER COURSE

Have you a coat that needs a "Makeover"?
 Have you learned the big economy in pants replacement? Your trousers get two to four times as much wear-and-tear as your coats as much as you wear them. You've probably got several coats that show but little wear, and are good for a lot more service.
 A pair of DAYS TAILORED TROUSERS (in worsted, serge, cashmere, moleskin, whipcord, flannel, corduroy, etc.), will give you a most good-as-new suit at a most good-as-new price. It's worth making this plan—and worth trying!
