Only Twelve Have Petitions for Nine Major Positions at Willamette

A general dearth of candidates has been experienced in the race for Willamette university student body offices which closes with the election Friday. At closing time Saturday petitions for only 12 candidates in the race for nine major positions had been filed with the executive committee. Five candidates will run unopposed. As a result of heated pro-election activity there has been a general disposition on the part of students to avoid mixing into the campaign, and several candidates retired from the field on the eve of petition filing.

**Tourists Clash Over Blockade**

Westbound Motorists Is Met By Phalanx of Angry Eastbounders

SAN BERNARDINO, Cal., April 21.—As a reprisal against the closing of Arizona to eastbound traffic, large numbers of motorists today blocked the road at the Topoc bridge east of Needles and refused to let westbound traffic from Arizona enter California. Telegraphic appeal for help was received by Sheriff W. A. Shay and he ordered two traffic officers to the scene. Feeling was running high between the clashing motorists, it was declared.

YUMA, Ariz., April 21.—(By the Associated Press.)—The stranded tourists' camp at Knob Siding, 15 miles west of here, which was broken up Saturday and Sunday when Arizona temporarily lifted the embargo it had established against eastbound motor travel as a result of the foot and mouth epidemic in California, began to grow again today.

Four automobile loads of travelers arrived during the day from Imperial valley and joined forces at the desert fumigation plant with the occupants of five other cars that arrived yesterday at 9 a. m., the hour Arizona reestablished a ban against cars from California.

Today's arrivals appeared to have come prepared for several days' siege. In Yuma the only outward appearance of the border blockade was the militia patrol on the state bridge across the Colorado river and small groups of Chamber of Commerce officials gathered about the business district and anxiously awaited word from a conference in Phoenix.

A Red Cross representative arrived today from Sawtelle, Cal. to give aid, but found that none was needed.

office of president of the student body were duly signed and filed yesterday. Confusion resulted from the definite retirement of Leland Chapin from the race. Chapin has consistently maintained that he was not a candidate, but his friends had believed that he could be prevailed upon in the end to enter. It has been recognized for some time that Emmel would be a candidate, but Findley appeared as a last minute dark horse candidate when it became apparent that Chapin had declined to run.

Emmel has served as class president, manager of his fraternity house, and manager of the college year book. Findley has likewise been prominently identified with class and student body affairs as class president, student body treasurer, and member of the student executive council.

Adelia White and Verna McKeehan have been nominated for the office of vice president. In the race for secretary Dorothy Owen and Lucia Card have been named. Marie Rostein and Ruth Ross will race for the position of women's member of the athletic council.

Only one name has been submitted for treasurer, Collegian editor, and three men members of the athletic council. Richard Briggs will be unopposed for the treasurer position, as will Paul Sherwood, Herbert Booth and DeLoss Robertson for athletic council. With Ralph Emmon's last minute withdrawal Juanita Henry will have a clear field for editor of the Willamette Collegian. Writing Emmon's name in on the ballot has been suggested by his friends, but it is doubtful if anything will come of the move.

**BITS FOR BREAKFAST**

They are invited—

Those editors who have been grieving over the set back of the flax industry are invited to watch it grow. It never before had such a chance—so many chances.

To the pure all things are pure; but where are they? asks the sage of a Salem barber shop.

The flax pullers that will be working in Salem district fields the coming harvest will be a sight to behold; they will have a big pull.

The sage of a Salem barber shop says some folks who are asking to be not led into temptation will spend a lot of time looking for it.

When they were now we used to call them horseless carriages. But nowadays we might often call them horse senseless carriages.

**STATUE CHOSEN FOR MEMORIAL**

"Over the Top," Same as at McMinnville, Voted By Legion Members

Preference of "Over the Top" the same statue that was erected at McMinnville, was given last night by Capital post No. 9 of the American Legion, in voting upon the memorial to Marion county soldiers who gave their lives during the World War that will be erected on the court-house lawn by the Salem War Mothers. Two other similar statues were offered for the approval of the legion.

After much discussion, the executive committee was authorized to investigate the status of R. A. Harris, ex-service man who was sentenced to serve four months in the county jail and to pay a fine of \$200 upon pleading guilty to a charge of possession of intoxicating liquor. It was the opinion of the legionaires that if Harris was merely arrested with the liquor in his possession the sentence was far too severe and in excess of the usual run of sentences, but if he had been engaged in selling liquor, he would not receive the support of the legion in an endeavor to have his jail sentence commuted.

Mrs. E. B. Dorris, of Eugene, state president of the Ladies Auxiliary, addressed the meeting urging that the sale of poppies be given exclusively to the auxiliary, as the flower is the distinctive emblem of the World War. She also spoke in behalf of the disabled veterans of Hospital No. 77, of Portland, who are seeking to earn a living through the sale of these flowers. Support of the disabled veterans, she pointed out, is one of the objects of the auxiliary.
