Better Gasoline Mileage - Less Carbon As a matter of fact, the most suitable crude for the production of motor oil is Western

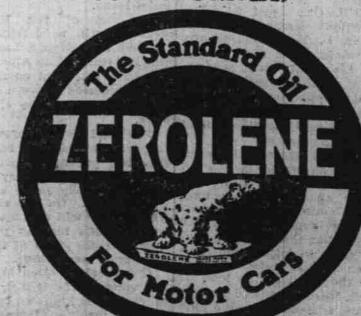

Extended tests conducted by this Company in the laboratory and on the road show that Naphthenic Base Crude, obtained from Pathe Zerolene-lubricated car averages about cific Coast wells. And the most advanced and 5% better gasoline mileage than when other efficient refining process yet developed is the oils are used. Carbon deposits are also less, chiefhigh-vacuum process, the patents on which ly because of the selected western crude from which Zerolene is made.

Insist on Zerolene even if it does cost 500 miles - which is good practice regardless less.

This Company is convinced that Zerolene will lubricate the modern automobile as well or better than any other oil offered to the public at no matter what price. A series of independent and impartial reports showing the experience of large users with Zerolene motor oil has been collect-ed in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company sales or service station representa-tive or any Zerolene dealer for a copy.
