FASHIONS & FOIBLES by Shirley Sharon

The refreshing possibilities of the separate gumpie permit constant change of neckwear while reducing the trips to the laundry of the sleeveless, buttonless frock.

A sleeveless frock of linen or flannel or heavy silk crepe which can be kept fresh by a change of front and sleeve in a gumpie makes a most useful costume for in or out of town.

Used To Clean Windows of \$100,000 Apartment House, Quits His Job Because He Owns It Now

The upper photograph shows Panko Natist Skotowski, who came to this country from Ukraine as an immigrant 13 years ago, and his four children. Below is depicted the apartment house in South Fourteenth street, Newark, N. J., on which he recently paid a large cash installment.

8 Years Ago!

Rays of hope were beginning to break through the clouds of doubt that hovered over George Pepperdine and his good wife, when they opened the first Pacific Coast store of the Western Auto Supply Company, on Twelfth and Main Streets, Los Angeles.

Bravely they fought for a livelihood—a fight made more desperate because of their humble beginning in Kansas City, Missouri, in 1909, with a meagre capital of \$5.00—a fight now considered more heroic because of the failing health of George Pepperdine and the adversities he had to contend with.

To-day -

the history of the business, its slow, steady climb at first and then the meteoric rise to One Hundred Stores in the West, can be reviewed with pardonable pride and satisfaction by Mr. Pepperdine, President and General Manager, and Mrs. Pepperdine, Vice-President and Treasurer, of the Western Auto Supply Company.

Many of the six hundred men and women now employed by the "Western Auto" started years ago when the company was in its infancy. They helped weather the storms. They learned the value of satisfied customers. Now they hold responsible positions and give the newer members of this great family of co-workers the benefit of their experience.

The employees have a greater interest in the company than just their pay checks. Most of the six hundred own stock and share in the profits.

Many motorists have also seen the splendid possibilities which the Western Auto Supply Company offers. Over three thousand stockholders have received annual dividends, ranging from 12 to 14% a year.

All of this, which led up to the opening of One Hundred Stores in so short a time, could not have been made possible without your confidence and faith in our unflinching fidelity to our policy of absolute honesty and satisfaction and your loyal support. We are not unmindful of the debt of gratitude we owe you. We appreciate and value your good will above everything, and we shall always strive to preserve the kindly and friendly attitude which now exists between us.

On April 30th

we invite you to join in our "100 Store" Celebration. Our store in your city will remain open from 7:00 to 9:00 p. m. There will be music, refreshments and public speaking. Sixteen Accessory prizes, valued at \$55.00, will be given away.

These prizes will be given away free—16 in all, 10 Special Cap-Spotter Mirrors, 3 Spotlights, 2 Carved Metal Visors, 1 Bumper—a combined value of \$55.

Beginning with May 1st, and continuing throughout the entire month, we hope to further express our appreciation by holding a Special Saving Sale. Hundreds of articles will be offered at additional savings. Camping Equipment will be included. During this month, the Western Auto Supply Company will share its profits with those who have made possible these One Hundred Stores.

Come to the Celebration and the Special Saving Sale. Watch your newspapers for further announcements.
