PRISON SLICKERS
DEFEAT RAMBLERS

State Penitentiary Baseball Team Wins in Game Saturday Afternoon

The Salem Ramblers, with all the weak spots plugged with fast playing Salem Senators, were beaten by the Prison Slickers in a fast played game on the prison grounds Saturday afternoon.

The Ramblers got away to a flying lead in the first when they hung up five runs with the assistance of two errors, two men hit by the pitcher and two singles. They scored again in the third and that was all, the rest of the scoring was done by the prison team.

Biddle Bishop pitched the first four innings for the Ramblers and then retired to short in favor of "Brick" Hagadorn. Baird, the Senator's first sacker, played a good game at first with the exception of a couple of errors. Schackmann played in the center field and accumulated one hit during four trips to the plate.

Willamette Loses Last
Game of Baseball Season

The Willamette university baseball team ended a disastrous season today by dropping a game to College of Puget Sound by the score of 4 to 3. The Bearcats had the game sewed up until the seventh inning when Poling, hurling for Willamette, weakened and the fielding of the team crumbled. CPS chased across the winning run.

Willamette led off with a three-run lead in the early innings of the game, but errors allowed the Loggers to score 2 runs. Despite this break, the Bearcats looked good to win until the disastrous seventh. Willamette had runners on bases in nearly every inning, but poor baserunning cut off several chances to score.

RIDES IN OLDS
20 YEARS AGO

Two decades ago Phoenix O'Neill, Detroit business man, took his first automobile ride. Although it seems incredible, he continued living in Detroit and withstood the lure of the motor car until last week when he walked into the Detroit branch of the Olds Motor Works and bought a car, the same make as the one he had first ridden in over 20 years ago.

"I enjoy walking," said Mr. O'Neill, "and for 35 years have attended to my business on foot. But Detroit is getting too big for a mere pedestrian."
