CHAUTAUQUA FOR JERSEYS IS NEXT. It Will Be Held at the State Fair Ground on Wednesday and Thursday.

One of the most important events in the history of Jerseydom in Oregon, or anywhere else, will be the Jersey chautauqua at the state fair grounds here on Wednesday and Thursday of this week, May 28 and 29.

J. L. Allen, state livestock club leader, who has charge of the judging contest for the boys and girls at the chautauqua, is assured of at least 20 judging teams, besides enough individual contestants to make over 100 boys and girls competing.

Perhaps the most spectacular stunt will be pulled by the Lincoln county team. Because the club leader, J. H. Hulbert of Toledo wants to milk his cows himself, both night and morning, he will start by Ford auto with his team at 6 o'clock the morning of May 29, and expects to have them back the same night, a total distance of over 200 miles.

Teams from Marion, Polk, Linn, Clackamas, Lane, Tillamook, Washington, Multnomah, Columbia, Jackson and Hood River counties are assured, with a probability of one all the way from Deschutes county. Several counties will send two teams, and two or more will send three. Competition is keen for the cash prizes, as well as the \$150 heifer calf to the high scoring individual. As one does not have to be a member of a club to compete for this, the number judging will be considerably increased. But, \$30 is the top cash prize, and every team gets at least \$5, so close to \$200 will be paid out.
