COAST AND MAJOR LEAGUE GAMES

Sacramento 2, Frisco 1

SAN FRANCISCO, May 29.—The Senators took their second game in succession from San Francisco today, 2 to 1. Although the Seals got one more hit than their opponents they could not bunch them at the right time. The home team's marker came in the first when Kelley knocked a circuit clout into the left field bleachers. After that Hughes was almost invincible. Sacramento won in the seventh. Siglin doubled, went to third on an infield out and scored on Cochran's single. Mollwitz batted Cochran home. Schorr apparently dislocated his shoulder fielding a ball in the second and Griffin finished.

Score— R. H. E.
Philadelphia 4 10 1
Boston 5 10 4
Batteries—Glazer, Betts, Lewis and Henline; Stryker, McNamara and Smith.

Chicago 5, Pittsburgh 2
CHICAGO, May 29.—(National.)—Pittsburgh was unable to do much with Vic Keen's offering, while Chicago hit opportunely behind bases on balls and defeated the Pirates, 5 to 2, in the final game of the series. Wright hit his second home run in two days.

Score— R. H. E.
Pittsburgh 2 6 0
Chicago 5 7 3
Batteries—Morrison, Stone and Schmidt; Keen and O'Farrell.

Vernon 8, Portland 4
PORTLAND, May 29.—Vernon again defeated Portland today, the score being 8 to 4. Until the ninth Vernon was leading by 2 to 1, but in the Vernon half the Tigers pounded Schroeder for six runs on six smashing hits and a pass. The Beavers made a hump-backed rally in their half, which netted three runs, but Penner settled, struck out Cochrane, a pinch hitter and quickly retired the side.

Score— R. H. E.
Portland 8 10 0
Vernon 4 12 0
Batteries—Penner and D. Murphy; Schroeder and Query.

Oakland 10, Seattle 7
SEATTLE, May 29.—Oakland batted its way to victory over Seattle today in the first two innings, winning 10 to 7. Three home runs in the second inning featured the contest. Arlett and McCarren hit a homer apiece, and E. Baldwin slammed out a circuit clout with the bases loaded in the Indians' half of the second.

Score— R. H. E.
Oakland 10 10 2
Seattle 7 8 4
Batteries—Kunz and Read; Dell, Stueland and E. Baldwin.

Angels 3, Salt Lake 2
LOS ANGELES, May 29.—A ninth inning rally in which Marty Krug, manager of the Angels, scored the winning run by stealing home, gave Los Angeles a 3-to-2 victory over Salt Lake here today. Though scoring only three tallies, the Angels hit the ball freely throughout the contest, and four key pitchers were used in a futile effort stop the onslaught. The series stands two and one in favor of Salt Lake. Oscar Vitt, Salt Lake third baseman, sustained an injured right wrist in today's game when struck by a bill pitched by Charles Root.

Score— R. H. E.
Salt Lake 2 8 1
Los Angeles 3 11 3
Batteries—Mulcahy, Thomas, Coume, Singleton and Peters; Root, Weinert and Billings.

FEW FOLKS HAVE GRAY HAIR NOW

Druggists Says Ladies Are Using Recipe of Sage Tea and Sulphur

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.—Adv.

The Del Monte Properties Company, Hotel Del Monte, California, have been using Zerolene for twelve years. Their 23 pieces of automotive equipment, including 12 Winton automobiles, are lubricated exclusively with Zerolene oils and greases.

At DEL MONTE service counts too

Equally important with the quality of Zerolene, which we believe to be the best oil made for the lubrication of the modern automobile, whether of eastern or western origin and irrespective of price, is the service offered by over 700 Standard Oil Company Service Stations and thousands of Zerolene dealers throughout the Pacific Coast states.

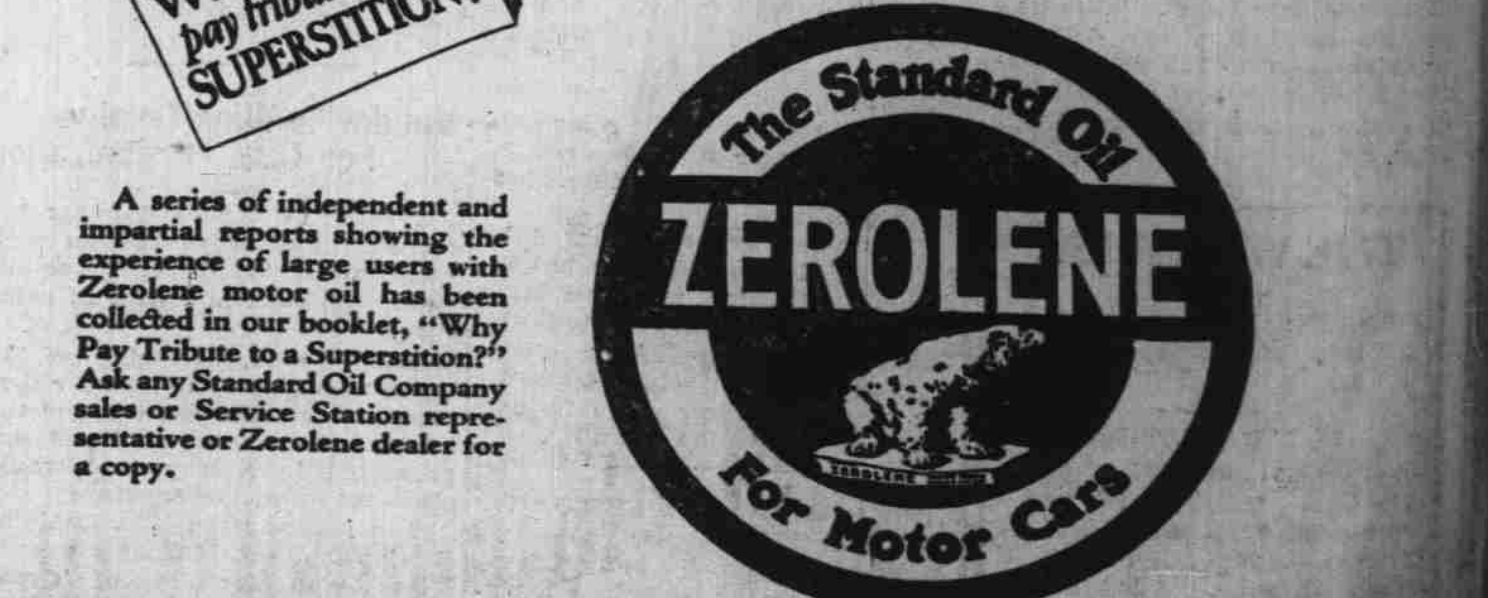

A recent letter from the Del Monte Properties Company, Del Monte, Calif., makes this point:

"We operate a fleet of twelve Winton cars in the guest passenger service in addition to quite a fleet of commercial type vehicles, ranging all the way from Fords to five-ton Packard trucks, all of which are lubricated with the Zerolene oils and greases supplied by your company.

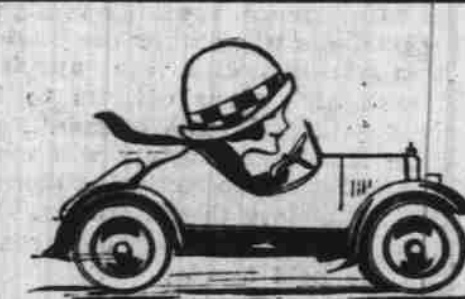

"The uniformly prompt and courteous treatment which we have received in connection with this service is a credit to your organization and it is putting it mildly indeed to state that our experience both with your products and service has been highly satisfactory."

Big users don't pay tribute to the superstition that there is something mysteriously "better" about "eastern" oils just because they cost more—why should you? Insist on Zerolene, even if it does cost less.

STANDARD OIL COMPANY (CALIFORNIA)

A series of independent and impartial reports showing the experience of large users with Zerolene motor oil has been collected in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company sales or Service Station representative or Zerolene dealer for a copy.
