

GRADUATION HELD AT STAYTON HIGH

Twenty-Four Seniors Receive
Diplomas—Principal and
Wife Entertain.

Twenty-four students, the largest class in its history, were graduated from the Stayton high school last week. A feature of the class was the presentation of a diploma to Floyd Crabtree, a married man with a family. Crabtree had dropped from school about 10 years ago to get married, but this

year he returned, bringing two of his four children to school with him daily.

Felix Wright received the conference college scholarship and will probably attend Albany college next fall.

Following the graduation exercises the faculty, school board and class were entertained at an informal banquet by Principal and Mrs. O. V. White.

A majority of those graduating are now planning to attend one of the Oregon colleges this fall.

The program for the commencement exercises was as follows:
Class March—Miss Pearl Emery
Piano Solo—Walter Bell
Invocation—Rev. C. T. Cook
Vocal Solo—A. Broms
Class Address—B. F. Mulkey
Piano Solo—Mrs. Ed. Olds
Presentation of Class—Principal O. V. White.

Presentation of Diplomas—
Dr. H. A. Beauchamp
Selection—Senior Quartette
Presentation of Scholarships—
Mayor George Keesch
Vocal Solo—Gweneth Mielke
Reception of Seniors—
By Principal and Mrs. O. V. White.

Realtors to Discontinue Luncheons During Summer

One of the most interesting business sessions of the year marked the closing luncheon of the Marion-Polk County Realty association at the Marion hotel Thursday noon. The realtors voted to discontinue the weekly luncheons during the remainder of the month instead of during July and August only. The luncheons will begin again September 1. The realtors are the first of the service clubs to take a vacation for the summer.

During the round table discussion it was emphasized that hard luck stories should receive the "soft pedal" and more enthusiastic talks be given. Special attention was called to the story in Collier's weekly, of June 7, written by Charles J. Lisle, of Salem, about the Woodburn farmer who had an income of \$5000 from his 17-acre tract.

As a result of the publication of this article, the chamber of commerce is seeking permission to reprint the story for publicity purposes, the realtors were told. It

was pointed out that every advantage should be taken of the great amount of publicity that Oregon is receiving through writers, including stories and articles written by Albert Richard Wetjen, who lives in Salem Heights; Victor Shawe, of Toledo, and Charles Alexander who lives near Albany.

May Was Very Dry, the Official Report Shows

The aridity of May is testified in the monthly summary of the weather bureau which gives .61 inches of precipitation for the month. Of the 31 days in May 19 were clear, seven partly cloudy and only five cloudy. The minimum temperature of 37 degrees was recorded on May 3, with the maximum of 90 degrees on May 31. What little rain fell occurred on May 4.

The mean maximum temperature was 74.8 degrees, with the mean minimum being 45.8. The mean temperature was 60.3 degrees. The greatest daily range in temperature was 43 degrees, on May 1, when the thermometer soared from 39 degrees to 82 degrees.

May 1 the river stood at 1.4 feet, dropping steadily until May 8, when it remained stationary until May 11, when a rise of .2 feet occurred. The river began to drop again on May 15, falling steadily until the last of the month when it stood at minus .8 feet and still falling.

500 PETITION FOR NEW ROAD

Highway From Brooks to Mt.
Angel Sought—Court
to Hear Plea

More than 500 signatures will be on a petition presented to the county court today by residents of the Lake Labish district and vicinity who are asking for a market road from Brooks through the Labish district to Mt. Angel. A demonstration and parade is planned for the business section after the signatures have been presented.

Though this section of the county is extremely fertile, the main road at present becomes one of the poorest in the district with very much rain. The proposed road would be known as "The Million Dollar Products Highway," and would open up the entire district. Annually onions and celery grown on the lake bottoms amount to nearly \$500,000, to say nothing of other products.

Thousands of crates of celery were shipped last year while a number of carloads of onions were sent to eastern markets. The increase in the amount of produce has become so great that Clyde Harris, owner of the Brooks warehouse, has increased the capacity of the building so that it will now hold twice the former amount.

SACRED HEART TO GRADUATE NINE

61st Annual Commencement
Exercises at Salem High

Rupture Specialists
Here
Rupture can be cured with a truss—not in all cases, but some. Dr. B. M. Hoffman of Portland is stopping at the Hotel Bligh with his Common Sense Truss. This truss has the Massage Pad Works with the body movement holding the rupture at all times with ease and comfort. Massages the ruptured parts in such a manner that it strengthens the weakened muscles and in time closes the opening. Patented by U. S. government 1914. If you are interested in something good that holds all the time—easy to wear and will cure. Call at Hotel Bligh.

60 YEARS OLD LIKE BOY AGAIN

Elderly Man Describes Effect of Using Korex.

"I was so disgusted with life in general, when I started taking korex compounds," says Wilfrid Chadwick of Lawrence, Massachusetts, "that I did not care whether I cured or killed me. In four days life had resumed its cheerful aspect and work was easy to do once more. Two months after, at a veterans' picnic, I was able to do some stunts on a trapeze and climbed the bar six times. Now I feel like a 16 year old."

Many other wonderful reports have been made by users of korex concerning relief from premature old age, rapid decline, low activity, poor circulation, aching muscles and weakness after the flu. Those who wish to try korex compound may now get it in Capital Drug Store at 405 State street, Salem, Ore. This announcement comes from the American distributors of korex compound, 546 Melton Bldg., Kansas City, Mo. Just ask for korex.
