Laughlin, Mrs. J. D. McCormick, Mrs. F. G. Franklin, Mrs. James T. Matthews, and Mrs. Morton Peck. Pink roses and blue delphinium were arranged in

artistic profusion about the rooms. In the dining room sweet peas were combined with the roses and delphinium. Pink candles in crystal holders added further to the attractiveness of the tea table. Much pleasing comment has been heard concerning the program given on the evening of the Sacred Heart Academy Commencement. The exercises, Rev. J. R. Buck presiding, were held in the high school auditorium Friday evening. The music was especially worthy, opening with the Jubilate Deo professional. Watkins' "Junctide" followed, given by the choral classes. The vocal duet with harp accompaniment, by Claudine Gerth, Esther Burch, and Grace Hottinger, was played without a flaw. Miss Mary Jean Porter, harpist, was presented in Schecker's brilliant Mazurka which was played by Salvi in a recent concert. Miss Porter, who is only 14, shows marked and rapid improvement in her playing.

The Right Reverend Bernard Murphy, OSB, Abbot of Mt. Angel college, delivered the address of the evening, taking as his theme the fact that the world is not looking for masculine women but for

womanly women. Bartlett's Grande Polka de Concert at two pianos was played by Geraldine Campbell, Grace Hottinger, Truth Huston, and Beatrice Bramberg. The Commemoration March (Gruenwald) was particularly impressive as an orchestral number. The personnel of the group playing included: First violin, Claudine Gerth, Esther Burch, Eleanor Brown; second violin Nancy Thielson, Thelma Porter, Louise McDonald; cello, Mary Kirsch, Helen Coyle; and harp, Mary Jean Porter, and Geraldine Campbell.

Reverend J. R. Buck conferred the diplomas and honors of the occasion, speaking briefly on loyalty to one's religion, no matter what that religion is.

Unclaimed Deposits are Subject of An Opinion

In an opinion replying to an inquiry by State Treasurer Jefferson Myers, Attorney General Van Winkle holds that unclaimed deposits of a savings and loan association are subject to the law requiring report of such deposits and payment to the state treasurer of all amounts standing to the credit of any depositor who has not made a deposit or withdrawn any of his deposits, principal or interest, for the period of 12 years, unless the depositor is known to the officers of such association to be living. As to the question whether the statutory period begins to run at the date of the last deposit or withdrawal, or at the maturity of the certificate, the opinion holds that the date of the last deposit or withdrawal determines the beginning of the statutory period.
