BIG DELIVERY OF CONVICTS FRUSTRATED

(Continued from page 1.)

proved inadequate to house the aggregation, and the last group were placed by themselves in the second tier of cells in the north wing of the prison. More men are now in the "bull pen" than ever before in the history of the institution, it was announced yesterday.

Convicts who are now on a bread and water diet and have their thoughts as their only companion as a result of the attempted escape are:

Ellsworth Kelly, highwayman, 20 years, from Josephine county; Joe Jackson, highway, 12 years, from Lane county (Jackson has escaped from the institution twice); William Johnson, five years, larceny, in Josephine county; Clive Weekly, who is believed to have engineered the plot, bank robbery, 15 years, from Douglas county, and Tom Murray, Florence bank robber, 20 years from Lane county, with an additional 17 years hanging over him at San Quentin prison. All of these five featured in the daylight escape in March.

Many Others Involved
Others who conspired and who are in solitary confinement are: Victor Delfaro, larceny, one year, Multnomah; John Owens, seven years, highwayman, Multnomah; Frank Fallen, 12 years, highwayman, Multnomah; Ernest Bezan-

BELGIAN WINS BALLOON RACE

BRUSSELS, June 19.—Lieutenant Ernest Muyter, piloting the balloon Belgica, was yesterday proclaimed winner of the Gordon Bennett cup race. The Belgian pilot landed Tuesday at Saint Abb's head, which lies about 40 miles due west of Edinburgh on the coast of Scotland. De Muyter thus covered a distance of 500 miles from the starting point.

By his victory the cup remains in permanent possession of Belgium, de Muyter having won the trophy four times in all and three successively.

sen, one year, larceny, Multnomah; James Willos, seven years, Umattila, larceny; A. Hermonson, one year, larceny, Coos county; Robert Bull, ten years, Jackson, larceny; George Howard, 18 months, larceny, Tillamook; William Stroud, 10 years, assault and robbery, Multnomah, and Lawrence Morrison, three and a half years, burglary, Multnomah county. Delfaro and Hermonson are awaiting deportation.

Legion Looks Good to Annex Championship

It looks like the American Legion is about to annex the third championship cup in the Twilight series. They turned a certain defeat into a glorious victory last night when they defeated the Y team by a score of 2 to 2. The Y was in the lead up to the fifth inning when the Legion rallied and tied the score. In the sixth inning to play off the tie the Y was in the lead 2 to 1. Blumenberg, the Y's crack pitcher's arm went back on him. He walked three men in a row.

Lauterback went in on a hurry call and was doing fine when all at once the blow-up happened—nobody knows just how. Gibson, the big Legion fielder, was caught

between second and third and got safely to third. It was so easy that a small kid could have put him out. Gibson again was caught between third and home but a wild throw over Green's head on third, and the game was "finis" with the Soldiers ahead.

This is the third time the Legion and the Y teams have been runners up for the championship. Next week the Legion and the Spaulding Loggers will clash in a three-game series for the cup given by Hauser Bros. The first game will be Monday evening. A good crowd is expected.

McADOO'S HOPE OF NOMINATION INCREASING

(Continued from page 1.)

Senator Thomas J. Walsh of Montana as permanent chairman, and Homer S. Cummings of Connecticut as chairman of the platform committee. So far there has been no decision as to the rules committee to prepare regulations to govern convention procedure. Ordinarily but little importance has been attached to that committee. With the possibility of a fight over the two-thirds rule, however, it is different in this convention.

Local Firm Victimized

While the "Mills & Timber, Ltd." a firm organized by J. A. Pattison was in "operation," obtaining nearly \$15,000 in Portland on checks drawn on the First National bank of Sheridan, Salem contributed \$351 to the total amount, it became known Wednesday when a warrant was issued from the justice court. The check was cashed by the Central Cigar store. The firm was supposed to be a going concern in Sheridan. Pattison was a frequent "business visitor" in the city and had had several small checks cashed at the cigar store. These came back honored through the regular channels; that is, all except the one for \$351. Several others, including a woman, are being sought by the Portland police in connection with the worthless check deal.

CHERRIES GALORE COMING TO MARKET

Prospects for 3,000,000 Pounds Royal Anns in Salem District Alone

Cherries are coming to market in Salem very fast now. The growers are working early and late, with pickers apparently in number sufficient to gather the whole crop in time to save it.

There are auto loads of pickers coming up from California to find work here.

There will likely be 1500 tons of Royal Ann cherries harvested in the immediate vicinity of Salem alone.

That means 3,000,000 pounds of Royal Ann cherries to be marketed here—and that means also \$150,000 for our Royal Ann cherries. To say nothing of some that may come from long distances to reach the Salem market.

There is every hope now that every cherry will be gathered and marketed.

Denies Spreading Disease

CHICAGO, June 19.—Jas. Morris, secretary of the general defense committee of the Industrial Workers of the World, tonight characterized as "ridiculous" the charges by Grove L. Fink, assistant United States District attorney at San Francisco that members of the IWW were spreading the foot and mouth disease in western states.

VANCOUVER TEAM COMING SUNDAY

Strong Southwest Washington Aggregation Will Meet the Senators

The Vancouver, Wash. baseball team will be here Sunday for a game with the Salem Senators. This will be the first time Salem fans have seen the Vancouver team in action on the local grounds for many years, and inasmuch as Vancouver has one of the strong teams of southwest Washington the game will probably be a good one. Manager Biddy Bishop of the Senators has not yet announced his pitcher for the game, but will have three or four available twirlers on hand ready for action.
