BIBLE THOUGHT AND PRAYER

Prepared by Radio BIBLE SERVICE Bureau, Cincinnati, Ohio.

THE BURDEN BEARER: - Cast thy burden upon the Lord, and He shall sustain thee: He shall never suffer the righteous to licity and yet as a result there has eyes. "I cannot tell you what baseball manager, and J. S. Mur- rumor got abroad that Arkansas moved .- Psalm 55:22. PRAYER: -- Most Holy God, Thou art our Sun and Shield; no good thing wilt Thou withhold from him that walks uprightly.

SALEM SHOULD BE CUCUMBER HEADQUARTERS

Salem should have, and can have, a big eucumber growing and manufacturing industry-

Cucumbers should be grown in great quantities under glass here, and in large acreage in the open for the pickle factories that ought to be established and conducted here, with salting pleasant publicity and annoyance. stations at convenient distances to take care of the fruit from the vines in the fields.

Portland pickle factories now maintain such salting stations at various points in the Willamette valley.

The beaverdam lands of the Salem district could be made to grow cucumbers for pickles in immense quantities. So could the irrigated lands, and those capable of being irrigated, its hands, not a big one, not a dan- formation. I have had a sneakin the Santiam district-

And there are vast stretches of suitable land for field cucumbers in this section, outside of those favored districts. Gardeners who know say this is a great cucumber country;

that the climatic and soil conditions are next to perfect. All with fireworks. The Fourth of that is needed to create a big pickle industry here is vision and July is at hand, tomorrow in fact. organization.

We have a great diversity of crops now, compared with charged with vigilance in enforcmost sections-

But our conditions will admit of a much greater diversity, laws, but in addition to that we and still be within the lines of least resistance; doing the things | call upon the citizens of Oregon that we can do better than other sections, or that we can do at to protect themselves against

live up to our opportunities-And we owe this to the hungry world, as well as to our-

selves and our children and children's children. Let's have a great cucumber industry.

It is likely that we are very near the time when we will begin to have linen factories in Salem-spinning and weaving, mills. Once started, we will see great development. It will grow into a \$100,000,000 annual industry, employing, directly and indirectly, a million people. This dream is about to begin

A man from Kansas left here last night after spending some time in both California and Oregon. He told the Oregon Statesman that Oregon was the most wonderful country he had ever seen and he was coming back here to live. We must attract that kind of people. We must appeal to them from the beauty sense as well as the utility. The average man loves pleasant surroundings oquently, "And now," her voice and will go a long ways to secure them. We have them here in Oregon and it is desecration to inter-106 fere in any way with our natural beauty.

A GOOD PLAN

We notice that Portland has a fifth wheel in its police department. A committee of one hundred vigilantes was selected on the quiet to assist the police department in law enforcement. The plan has gone on without pubbeen more efficiency in govern-

A city like Salem does not need a committee of anything like this size but it would be a good idea if our mayor would select a committee and thus make it easier to enforce our laws. The Portland plan is devised to get results without subjecting individuals to un-The reports are made as a committee and not individually.

FIREWORKS AND DROUGHT
