PRES. COOLIDGE'S SON DEAD M'ADOO VOTES ARE SLIPPING

SMITH IS LEADING THE FIELD

Gain for Ralston and Glass Accompany Attack of coalition on the Californian's Ranks; McAdoo Loses 196 1-2 Votes in Balloting of Day; Dark Horses Appear to Be Coming Into Their Own in Convention.

MADISON SQUARE GARDEN, New York, July 7.—On the 87th ballot the coalition forces battered down the McAdoo strength still further and the leaders in the contest stood this way:	
Smith	361.5
McAdoo	333.5
Ralston	93
Glass	71
Davis	66.5
Underwood	38
Meredith	26
Robinson	23.5
Ritchie	23
Davis, Kansas	20
Owen	20
Bryan	7
Saulsbury	6
Walsh	4
Mrs. Miller	1
Roosevelt	1
Cox	.5
Total	1,095 1/2, about 2 1/2.

This was a loss of 20 for McAdoo and a loss of 1 1/2 for Glass. It was a gain of 1 1/2 for Smith, a gain of 1 1/2 for Davis and a gain of 1 for Ralston.

MADISON SQUARE GARDEN, New York, July 7.—Charging down on the McAdoo lines with a new ferocity, the coalition forces in the democratic national convention tonight swept the McAdoo votes down to their lowest point. Governor Smith, for the first time, took the lead over Mr. McAdoo and reduced his opponent to a point where he had lost his power of a one third veto over the selection of a candidate.

Then, when the coalition forces were riding on the crest of the wave, they got an adjournment of the convention until tomorrow morning at 10:30 o'clock.

The smashing attack on the McAdoo lines was accomplished by gains for Ralston and Glass. The attackers took back trophies for each candidate.

SMITH TAKES BALLOT LEAD

Gov. Al Smith

Governor Al Smith of New York took the lead in the Democratic convention balloting late last night on the 86th ballot as a result of repeated raids which the coalition of managers had made on the support of McAdoo. The governor's vote hovered close to 361, while McAdoo's fell away to a scant 333.5, the lowest he has registered since balloting began.

BRITISH CRUISERS OFF GOLDEN GATE

Seven Battleships Touring the World; First to Enter in 40 Years

SAN FRANCISCO, Cal., July 7.—Seven British battle craft, the first large British squadron to enter an American port for forty years, steamed through the Golden Gate this afternoon to pay a visit to the U. S. on the way home from a round of the British Dominions the world over. Headed by the battle cruiser Hood, lightest of all fighting craft afloat, they steamed through the summer sunshine into a bay gay with the sails of welcoming yachts and cast anchor on "Man O' War Row" almost within hailing distance of a squadron of American battleships gathered to welcome them.

Hours before the squadron was due to cast anchor in the bay, the destroyers Hull and Chase steamed out to a rendezvous north of the San Francisco lightship, dropped down to half speed, and hung about until being eyes poked up the dim silhouette of the Hood in the haze to the west and north.

INVITATION TO PARLEY SAVES HERRIOTT JOB

Meeting with McDonald in Paris Today on Dawes Plan Forstalls Any Action By Opponents

HOUSE OF COMMONS IS LIKELIHOOD IN UPROAR

Leaders Puzzled Over Sudden Decision for Conference on Dawes Plan

PARIS, July 7.—(By the Associated Press).—The swift maneuver of Premier Herriot of France in getting Prime Minister MacDonald of England to come to Paris tomorrow, thus forestalling former Premier Raymond Poincare and his other opponents in the senate, who are prepared to put him on the gridiron, has upset all calculations in political and parliamentary circles.

The conviction that the Herriot cabinet was in danger had penetrated even government circles. Postponement of the debate in the senate, necessitated by the visit of the British prime minister, makes little change in the situation, but it gives M. Herriot time to make a further effort to come to an agreement with the British premier before he is interpellated in the upper house.

It is admitted that it will make an enormous difference if the premier is able when the debate comes up, probably on Thursday, to tell the senators that France and Great Britain are finally in complete accordance as to how the Dawes plan should be put into effect.
