The Dalles Cherries Safely Reach Market
Though cherries from The Dalles this year were nearly 500 tons lighter than the pack last year, when 2000 tons were handled, the fruit shipped east from that district reached its destination without the loss of a cherry that had mildewed, or spoiled, according to Dr. G. E. Sanders, fruit grower from eastern Oregon, who is in the city on business. From the time that the cherries were packed for shipment until they were taken out of the car by the New York buyers there were not permitted to be touched by the air.

When the cherries left the packing room they were placed in cold storage, being transferred from this room to the cars through a tunnel made of boards, packed with straw and shavings. The space between the end of the tunnel and the car was covered with canvas to keep out the fresh air. They were kept at an almost even temperature from the time they were cooled until the time of sale. The Dalles packed around 1500 tons of cherries this year, the Royal Annes bringing from 4 to 7 cents a pound and the black cherries from 11 to 15 cents a pound. Sixty-four carloads were sent out by express and the remainder in less than carload allotments.

CYCLOLE CLUB IS OPPONENT TODAY
The undefeated Cycole team, inner of 15 straight games, and claiming to be the fastest ball club in Portland, will be in Salem today and meet the Senators at Oxford field this afternoon at 3 o'clock. The Cycoles have not been beaten this year.

This is the last game at home for the Senators for two weeks, as they leave Tuesday morning at 7 o'clock for their northern trip through Washington to play the fastest clubs in that state.

Because of the reputation of the Senators as a winning team, the Cycole club has a number of new faces in its line-up that will strengthen the visitors greatly.

Biddy Bishop spent Wednesday in Portland arranging for pitchers to take on the trip north. While there he watched the Cycole club work, and he declares that, from the number of players who turned out for practice it looks as if they were able to make two good clubs. He declares, however, that he is prepared for the attack and will have the same line-up that he will take on the Washington trip. All of his pitchers will not be present today, but he has arrangements all set for them to join the Senators at the Washington town where they are listed to work.

The Cycole club expects to bring a big crowd of fans from Portland, and there is going to be a lot of excitement, both on the field and in the grandstand. They have sent word ahead to reserve 100 seats in the grandstand and to rope them off, but Manager Bishop says no ropes will be used, and the first to arrive will get the choice of seats.

On the trip this week Salem will play Kelso two games, Tuesday and Wednesday, July 15 and 16, Longview Thursday and Friday July 17 and 18, and Aberdeen one game, Saturday, July 19. The Senators will play Kalama at Kalama, Sunday, July 20.

On Sunday, July 27, the Senators will again be on the home diamond, and will play the Doernbecker club of Portland.

Some of the Salem fans have already made arrangements to attend some of the games while the Senators are on their trip. The list of players that Bishop is taking along makes it look as if he is going determined to win every game. Catchers will be Edwards and Hayes; pitchers, Beemus, Ashby, Keene, Kiss, Bishop, Lukonov and Winters; infielders, Baird, Proctor, Miller, Colfield, Bishop and Adolph; and outfielders, Reinhart, Schackman, Wilkerson, Keene and Hayes. There may be one or two more.

city of Long Beach, to re-engage in the auto top business. In fact business is so good, and the prospects of it staying that way is so strong that Mr. Hull has formed an incorporation of Salem men to engage extensively in the auto top and auto painting business.

The new firm which is in process of being incorporated is composed of O. J. Hull, I. J. Crittenden, and George Saterles. These men have all spent a number of years in Salem and know what they are about when they start expanding.

The sales room formerly occupied by O. B. Gingrich has been leased and will be fitted up for the painting of cars by the air brush system and for the installation of winter enclosures.

Baker Leads Industrial League as Safe Hitter
Loris Baker, Salem youth and former third sacker for the Senators and a member of the OAC baseball team while in college, is knocking out an enviable record for himself on the Anaconda. Mont., team in the Industrial league, according to word received here. Out of 31 times at bat he registered 17 hits and has a batting average of .548, leading the league by nearly 10 points margin. All of the Anaconda team are hitting over the .333 mark at present.

With the exception of Baker, all members of the Anaconda team have signed contracts with Pacific coast teams for next year. Baker has a good job and has refused a contract, deciding to keep his position and not devote his entire time to professional baseball.

The Industrial league is being headed by the Black Pitts, at present, with the Anaconda team tied for second place.

"Red" Ridings, a former OAC baseball player, is also on the Anaconda team.

McCammion and Hutcheon In Golf Finals Today
Final play for the president's cup will be staged at the Illihee Country club golf course today. Arthur Hutcheon meeting Hugh McCammion in the finals. McCammion won his way into the last leg of the trophy race Friday by defeating Frank Elliott in the last of the semi-finals.

Considering the drought, the greens are in excellent condition at present, it was reported Saturday by Fred A. Williams, chairman of the tournament committee. Nearly 200 players were on the course during the afternoon and an even greater number is expected today.

Several of the Illihee players are expected to take part in the state golf tournament in Portland this coming week.

FINNISH RUNNER SETS NEW RECORD

Nurmi Leads Team to Double Olympic Victory—Third Olympic Title

OLYMPIC STADIUM, Colombes, France, July 12.—(By Associated Press.)—Striding to the most thrilling victory of his career under the most trying conditions any runner ever faced, Paavo Nurmi, Finland's superman of the track, led his team to a double triumph in the Olympic cross-country championship today, which witnessed the tragic collapse of more than half of the two score starters under a terrific heat that parched the grueling ten thousand metre course.

Even Harold Osborne's great decaathlon victory for America and the creation of two new world records, the first when the flashing quartet of American sprinters covered the 400 meters relay in 41 1-5 seconds, and the second when A. W. Winter, the Australian bettered the 13-year-old hop, step and jump record by 3-16ths of an inch—were eclipsed by the dramatic struggle of the distance runners against the terrific odds.

Sanstroke Gets Swedes.
Along the course that Nurmi raced practically unchallenged to victory they began to go down before the half way mark was reached. Among the first to fall was Edwin Wide, the gallant Swede, who started off in the lead, only to drop, a victim to sunstroke.

Finland with Nurmi and Ritola finishing first and second, defeated the United States by a margin of 11 points to 14, with France third.

Sweden's entire team collapsed under the terrific conditions. Wide and Bergstrom being taken to the hospital, while about two dozen others had to be given medical treatment, several of them lying in a semi-conscious state for more than an hour after having given their all in the vain struggle.

The Americans next to the Finns stood the long grind best, four of the six American starters finishing with the negro star, Earl Johnson leading the contingent in third place, 200 meters behind Ritola.

OLYMPIC STANDINGS

OLYMPIC STADIUM, July 12.—With the United States assured of 15 points in the decaathlon, through the unofficial figures placing Osborne and Horton one-two, and bringing the total points to 209, Finland cannot hope to overtake the United States even should she win every event of the remaining six Olympic track events in which she has qualified. Finland has 135; Great Britain 63 1/2; Sweden 26 1/2; France 19 1/2, and Switzerland 11.

MacLaren Goes to Minato
KASUMIGaura, Japan, July 13.—(By The Associated Press)—A. Stuart MacLaren, the British aviator, flying around the world, who was forced to return here yesterday, owing to engine trouble, made a new start at 8:40 this morning for Minato, at the northern end of the main island of Japan. From Minato he will start on his flight across the Pacific.

A CAUSE OF WOMEN'S ILLS

Women Often Think They Have Heart Trouble, Indigestion, Nervous Prostration, etc., when it's Simply Iron Starvation of the Blood.
Many women believe they are weak and nervous as a result of age, worry and overwork. They think that their disturbed digestion, headaches, heart palpitation, shortness of breath, pains across the back, etc., are due to some serious disease instead of the real cause—iron starvation of the blood. This is proven by the fact that when many of these same women take organic iron—Nuxated iron—at once. But be sure it's organic iron and not metallic iron which people usually take and which is made merely by the action of strong acids on small pieces of iron. Organic NUXATED IRON is like the iron in your blood and like the iron in spinach, lettuce and apples and it often increases the bodily and mental vigor of weak, worn-out women in two weeks' time.

Be aware of substitutes. Look for the word "Nuxated" on every package and the letters N. I. on every tablet. Your money will be refunded by the manufacturer if you do not obtain perfectly satisfactory results. At all druggists.
