CHILD WONDER
WILL SPEAK
 Uldine Utley, child evangelist, will open revival meetings at the armory here on Thursday evening. She was converted at the age of 11 years and is now 12. She has a remarkable talent and

insight into Scripture and its interpretation. In a recent campaign in Santa Cruz she told of many marvelous healings that took place. One lady with a malady of 17 years standing said she was completely cured. The paralytic were made to walk, the deaf made to hear and what is more important those deep in sin were made clean and happy. She has a remarkable vocabulary for one of her age and yet she is a constant and almost exclusive reader of the Bible. "It is the Lord speaking through me," she said "I ask Him every time what I am to say and He guides my thoughts and tongue." Uldine is a perfectly normal child. She likes to swim and play

with children of her age but she never loses sight of the fact that she has been called to tell of the unending love of the Master. She does not have any training in elocution yet has a wonderful gift of delivery and drives home poignant thoughts with closely related Scripture quotations. She will conduct meetings in the armory as long as the interest justifies. It is safe to say that the child wonder with her great message will receive a creditable and open minded hearing by the Christian people of Salem and vicinity.

is receiving nationwide attention. Uldine was born in Oklahoma in 1912 and later moved to Kentucky, then to Colorado and her schooling was mostly under the tutelage of her mother. In 1919 the family moved to a ranch near Fresno, California. Uldine entered the third grade there and completed the seventh grade last year in a country school. It was in September of last year the child felt that she had received a definite call to evangelistic work. She attracted attention from the start by her marvelous

MAKES APPEAL TO LADIES The Elite Beauty Shoppe Meets Every Requirement of Fair Sex

For the discriminating matron, the Elite Beauty Shoppe will have an appeal. Located above the Gray Belle on State street, it has an ideal location. Catering exclusively to women and children, L. J. Bayes has arranged that his "Shoppe" shall make the cutting of women's and children's hair a specialty—without a men's barber shop in connection. Refined women will like this. Privacy within the "Shoppe" is further obtained in separating the barber chairs from the waiting room. This "Shoppe" affords in its equipment the only child's hair-cutting chair in town. The children are frank in their approval of it. It is especially fitted in height and adjustability for the accommodation of the youngsters. Mr. Bayes is thoroughly equipped to give the latest in trimming and bobbing. The entire establishment, exceedingly well-ventilated and lighted, the latter being especially provided for by a large skylight, is finished in white. Special hoods have been put in for manicuring, Marceling, curling and facials. A number of interesting features are offered in connection with the shampoo and massage room. The "Shoppe" also affords a ladies' rest room. The many attractive features of the establishment will be observed with the very first appointment made. The "Shoppe" which opened a week ago Friday is open from 8 o'clock in the morning until 6 o'clock at night.

SHAW
 Mr. and Mrs. B. D. Wells and son, Erwine Dudley, Mrs. C. L. McAllister and son, Dexter, left for Netarts, Monday returning Thursday. Miss Amanda Matthews spent a few days in Salem visiting friends and attending the Chautauqua. Mr. and Mrs. J. F. Young also Albert Fieber motored to Salem, Monday. Mr. and Mrs. Fred Gilbert and John Schneider were Salem stoppers Saturday. Joe Porrie purchased a new Overland car. Mr. and Mrs. Wm. Trum and son's were Shaw visitors last Sunday. A 9-pound daughter was born to Mr. and Mrs. Wm. Overgard of Salem. Mrs. Overgard is staying with her parents, Mr. and Mrs. J. B. Peterson. C. A. Fieber and Irma Fieber were Salem and Silverton visitors Wednesday. Mrs. Geo. Etzel motored to Stayton, Sunday, to visit at the home of her brother, Mr. and Mrs. Chris Kremer.

250,000 SLOGANS
 Fred Delano of the Salem Automobile company received word from Norman DeVoux that the committee in charge of the prize slogan recently offered for the Star car, is swamped. They report that they have received 250,000 slogans and that it will be at least 60 days before they will be able to determine the winner. It frequently happens that repentance is just a conviction that the jig is up.

The Church That Welcomes Strangers

The Downing brothers might be termed the most sporting family of Rock Island, Ill. The brothers, five of them, put the cares of the dairy business aside recently to consider the matter of personal transportation. When the conference concluded each brother drove off in his own sport touring Oldsmobile. This is considered a record to have the five members of one family each driving the same make and model automobile.

A Record of Which to Be Proud

From the time the first Star Car was built in Oakland, 20 months ago, 35,000 Star Cars have been sold and in service on the Pacific Coast alone.

In the first full operating year, the Star Motor Company of California built and sold 20,777 Star Cars.

During its second year of operation, the Star Motor Company of California has already produced 14,233 Star Cars.

No other manufacturer of a three-speed automobile has attained such a high sales and production mark in such a short span of time.

It took the nearest competitor of the Star Car six years to reach an annual production figure in excess of 20,000.

This sales record is doubly remarkable, inasmuch as these 35,000 Star Cars are rendering a service to owners such as no low-priced car has ever before delivered.

Parts replacements per car of these 35,000 Star Cars has only averaged 48c per car. What other car at any price can compare with this low upkeep cost?

The Star Car, through its sales record and its economy—in the truest sense of the word—has rightly earned its title of being the highest grade, low priced car in the world.
