(Continued from page 1) lives on war. He says "Our fathers" of the constitution as any-

one, and he has earned the right ST. HELENS, Or., Aug. 19 .to the title of American. He held Unusual shows of devotion bea comfortable audience of perhaps tween animals have been capped 200 people long past the close of the dinner hour.

"We get out of governments west of St. Helens. The cow has only what we put into them," a calf 3 or 4 months old, but in said the speaker. He holds that addition to this offspring return- FARM - WRITE BOX E, MARION, Ore 7a-a26\* the United States is now suffered from pasture a few days ago her sister, Viola Sammomn of ing financially because, after the with a three weeks old buck in money power had bought heavily tow.

of the European war bonds, expecting a short war and prompt payment of the bonds, the war held on until the bonds practically defaulted; and Europe, having no other place to get food to live on and finally pay the obligations, the money power of this country took the American grain

and credit and cash to bolster them up. "Like the employe who goes out and plays poker, loses his money, gets into debt, and then has to rob some one else to save his face," he explained the condition. They took the farmer's wheat, 325,000,000 bushels, in

1920, he said, by the simple process of calling the farm loans; farm foreclosures and losses amounted to 15 billion dollars, followed the great deflation of 1920. Some staticians have figured it up as high as 32 billion dollars.

The federal reserve system, according to the speaker, is the creature of the big private bankers; it is the antithesis of the great Bank of England, which is a mercantile corporation and does not allow dictation by the banking interests. In this difference the La Follette theory of governmesnt

of, for, and by the people, in the words of the constitution; guaranteeing protection and safety for in the ninth. all, the La Follette campaign

takes its stand. "My father used to tell me to do my studying in the morning; I could think better on an empty stomach," said the speaker.

"That's the case with us today: we've been having an empty stomach for a long time, and we are thinking clearer and better able to see what the old parties have Expect Planes to Be Repaired been doing to us." Ernest Kroner, state chairman

of the La Follette committee, was chairman of the day, with R. R. Ryan taking the chair for a brief closing announcement.
