Plenty New on Market—State Board of Health Has Suggestions

What's new for today, you ask? There are some new things in the market. Perhaps you have not had any sweet potatoes this summer.

The bulletin sent out by the state health board this week contains some suggestions which it would be well to keep in a conspicuous place.

Choose one from each of the following groups: 1. Meats, eggs, milk, cheese, fish, peas, beans, nuts.

2. Vegetables such as tomatoes, squash, lettuce, celery, "greens," sweet corn. 3. Cereal grains, bread, macaroni. 4. Butter and cream.

GRAND OPENED FOR PICTURE

Liberty and Grand Will Show "The Covered Wagon" Saturday and Sunday

So great has been the demand of the people of Salem and vicinity to see "The Covered Wagon," which opened its return showing at the Liberty theater Thursday,

that the production will also be shown in the Grand theater today and tomorrow, and will remain at the Liberty through Monday and perhaps Tuesday.

With showing going on simultaneously in the two theaters, Manager Stille hopes to be able to accommodate the crowds that have been filling the Liberty to capacity at every show, and give everyone an opportunity to view the production.

Yesterday the crowds at the Liberty surpassed even those of the evening before, when the crowd stood in line extending 200 feet up the block to be on hand for the second night performance.

Yesterday afternoon it was necessary to sell standing room and run two shows instead of the customary single afternoon performance.

Last evening Mr. Stille announced that any pioneer who has not already had the opportunity of viewing the production will be admitted free, upon making him or herself known at the box office at either the Grand or the Liberty theaters.

MARYLAND MAN AND FAMILY THREATENED BY MOB AFTER HE TRIED TO AID TARRED AND FEATHERED GIRL

James W. Whip attempted to befriend Miss Dorothy Grandon after she had been kidnapped, stripped of her clothing and tarred and feathered at Frederick, Md., by a mob of masked men and women.

He is shown above with Mrs. Whip and their children who have since been threatened by a mob. He keeps a gun on hand to protect himself and his family. The authorities are investigating a report that the Ku Klux Klan was behind the attack on the girl and the theory that it was inspired by a discarded admirer.

This week and today final competition for first place badges will be held.

Two series of tests have been arranged, one for the boys and one for the girls. These tests are as follows:

Boys—Standing broad jump, best record so far 5 feet, 9 inches; 50-yard dash, 8 seconds; baseball throw, 130 feet; pull up, four times or a 12 foot rope climb.

Girls—Balance test, 24 feet plank walk, including one deep knee bend; 50-yard dash, 8 seconds; basketball throw, 35 feet; volley ball serve, two out of five trials.

Newport as a Fishing Resort No other place in Oregon affords such a variety of fishing as Newport, with the ocean on one side for deep sea fishing and Yaquina bay on the other.

On the benches at low tide crabs and clams are secured with little effort. The famous "rock oysters" may be dug from the rocks at low tide. Newport is the only place in the United States where this wonderful delicacy is found.

During the summer (weather permitting) many fishing schooners in charge of reliable pilots make daily trips over the bar to the deep sea fishing grounds. This furnishes a thrill to the visitors long to be remembered. It is quite common on these trips to see whales, porpoises, black fish, seals, and the sea lions sporting themselves in the placid waters of the Pacific, while the sea parrot, pelican, cormorant, sea penquin, and many other sea fowls, scream their delight overhead.

Summary of Prizes Offered Ten ten ladies receiving the ten highest number of votes in the contest will each be awarded a free vacation trip to Newport, commencing Sept. 2nd. The entertainment at Newport will be provided under the auspices of the Newport Chamber of Commerce.

There will be splendid accommodations and entertainment of various kinds provided. This will be a red letter week in the lives of the contest winners and one never to be forgotten. Another joy will be added when each of the winners is presented with a box of Gray Belle candy. These will be charming summer vacations and with all expenses paid by the Chamber of Commerce of Newport and the Statesman Publishing company they will be doubly delighted.

By order of the common council the 18th day of August, 1924.

Soft Music Played While Oregon Note Is Burning

SILVERTON, Or., Aug. 22.—(Special to The Statesman.)—A very pretty social was given at Trinity church Wednesday evening the main feature of which was the burning of the pipe organ note.

Trinity Young People's society bought the pipe organ about three years ago and paid the last part of the note this month.

The first part of the evening was devoted to a program at which Prof. L. M. Gimmedad of Gale college in Wisconsin, was the principal speaker. Other numbers on the program were solos by Miss Esther Larson, Mrs. M. G. Gunderson, Miss Marie Corhouse; sketch by the Girl Scouts. A very pretty feature of the program was the burning of the note.

Two tiny girls, Ruth Thompson and Esther Larsen, dressed in white, carried the note to the stage where Miss Dora Henriksen, organist, received them, taking the note and burning it while Miss Esther Larson played soft music.

Davis' Running Mate and Senator Pat Harrison Relaxing from Convention Strain at Ball Game

Democratic politicians are just recovering from the effects of the long drawn out national convention. This photograph was taken while Charles W. Bryan, nominee for the vice presidency (at right), and Senator Pat Harrison of Mississippi were trying to forget the political turmoil for the moment by attending a game played by the World's Champion Yankees and the Washington Senators at Washington.

The planet Mars will be visible at 10 o'clock tonight, appearing in the southeast, and no other star near will be anywhere near the size of it, so the interesting planet will be very clearly distinguished. Mars is now nearer the earth than it will be for 100 years. The elements which compose the planet, as ascertained by telescopes that reflect the light rays from the planet, are those that sustain life. I. L. McAdams, local astronomer, will have his telescope at High and State streets tonight. He says the planet now looks twice as large as in any previous observation.

Dinner at Marion Hotel To Entertain Governors

The conference is to open at 10 a.m. on September 4, with a public meeting at the Marion hotel. An address of welcome will be given by Governor Pierce and a short talk will be given by Maj.

Many Silvertontians are Camping at Gladstone

SILVERTON, Or., Aug. 22.—(Special to The Statesman.)—A great many Silvertontians are camping at Gladstone park at Oregon City, most of them going up Thursday morning. A Lutheran Chautauqua opened there at that time and will continue for one week. Others are going up to attend the daily sessions, returning home each evening. A boys' camp is one of the features of the Chautauqua.
