SOME PEOPLE ARE DISSATISPIED with what they have and really want to trade, while others only have the "litch" and are trying to outfox somebody. We offered one man the state house for a hilluide 80 and he backed out when he found Willamette University didn't go with it. We have a man with a good 7 room house and a half acre of land who wants a good patch of timber and would like some improvements. Another man has a nice little half acre home clear and wants a few acres out north. Another man with a good home in close who wants a real good farm of 20 or more acres with right decent improvements, something worth around \$9000 or \$10,000. We have a mighty good business that is making money, to trade for a farm. McGILCHRIST & PENNINGTON 209 U. S. Bank Bldg.—Phone 140.
