TILDEN BARELY BEATS RICHARDS
Possibility Seen That Champion May Lose Title to Johnston Today

FOREST HILLS, N. Y., Sept. 1.
 (By The AP.)—William T. Tilden was forced to five thrilling, gripping sets today before he conquered his youthful former pupil, Vincent Richards in the semi-finals of the national tournament and won the right to defend his title against the man who has been his chief rival for the past five years, William M. Johnston.

But the crown that Tilden has

worn for four successive seasons came perilously close to toppling. Richards not only took two sets from the title holder but came within a point of winning a third. Tilden, however, facing the closest call he has had since he took five sets to turn back Johnston for the 1922 title rose to the greatest heights of brilliancy to check the young Olympic champion. The scores were 4-6, 6-2, 8-6, 4-6, 6-4. Tilden's victory followed a crushing triumph in the other semi-final match by Johnston, who smothered Gerald L. Patterson, leader of the Australian Davis cup forces, 6-2, 6-0, 6-0.

Thus, while "big Bill" was being given the fight of his life, his veteran rival "little Bill" was scoring one of the most convincing and amazing triumphs of his career. The astonishing ease with which Johnston disposed of Patterson, despite the fact the Australian intentionally eased up toward the end, capped the climax of the lit-

tle Californian's comeback so far this season. Seldom, critics agreed, has the veteran title holder of 1915 and 1919 been so impressive as he was today. His supporters tonight are confident he is ripe to give Tilden a hard and possibly victorious fight in the finals.

70,000 SEE MURPHY WIN 250 MILE RACE

SPEEDWAY, ALTOONA, Sept. 1.—(By The Associated Press)—Thrills aplenty held 70,000 spectators almost breathless this afternoon as the 250 mile Labor day automobile race closed with Jimmy Murphy the winner. As the last lap of the grind

were reeled off, Joe Boyer, in second place, made a desperate effort to overtake Murphy's lead of more than a mile and a half. Traveling at a rate of 125 miles an hour, Boyer within sight of the main grandstand, crashed through the guard rail at the top of the bowl. He was pinned in the wreckage and the spectators were in suspense as the other racers passed below the racing machine which hung as if from a slender thread over the track.

Boyer was conscious as he was rushed to a hospital, where it was said both his legs were crushed and his condition was serious.
