TILDEN KEEPS CHAMPIONSHIP

William Johnston is Decisively Defeated in Final Match of Tournament

FOREST HILLS, N. Y., Sept. 2.—(By The Associated Press.)—William T. Tilden II is the king of American tennis. The Philadelphia racket wizard removed any doubts on this score when he swept to victory this afternoon over his veteran Californian rival, William M. Johnston and won the national singles championship for the fifth successive year.

It took Tilden 43 minutes to batter his gallant but badly beaten little opponent in submission by scores of 6-1, 9-7, 6-2, and establish not only his pre-eminent position among American racket stars, but recognition also as the world's champion, for he emerged triumphant from one of the greatest international fields ever gathered.

A gallery of 7,000, considerably smaller than yesterday, had come in expectation of a keenly fought battle with "Little Bill" giving his opponent a brilliant tussle.

The onlookers saw the super Tilden, the champion racket genius at his greatest heights. Except for a spirited rally in the second set which he forced to duce several times and even threatened to capture, Johnston was out stroked, out generated and outclassed. It was the fifth time Tilden had vanquished Johnston in the six successive years they have met in the national championships and although he allowed the California star fewer games the last few years, the titleholder's victory today was as convincing as any previous triumph. The two "Bills" will team together to form America's first line of defense in the Davis cup challenge round next week.

Sensational Upsets in First Round of Tourney

NYATT, R. I., Sept. 2.—(By the AP.)—The defeat of Miss Marion Hollins, New York metropolitan champion and former national titleholder, was the sensation of the first round of match play today in the women's national golf tournament. She lost to Mrs. Dorothy Campbell Hard of Philadelphia, another former champion, 4-3, largely through two stymies and poor putting which offset her long drives.

Sun and humidity eliminated another excellent player, Mrs. F. C. Letts Jr., of Chicago, who was forced to default to Mrs. L. Renwick of Mt. Kisco, N. Y., 5 up at the ninth hole. Mrs. Letts collapsed and was removed to the club house. She recovered quickly, however.

Mrs. C. H. Vanderbeck of Philadelphia, former champion, also had a slight illness, but it came after she had defeated Mrs. J. L.

Anderson of New York, 2 to 1. On the links as well as the courts Miss Mary K. Brown of Santa Monica, Cal., proved that she is a star. Former national tennis champion defeated Mrs. H. Arnold Jackson of Greenwich, Conn., former national golf champion, 6-4.

Youth was served when the youngest players of the tournament, Miss Virginia Wilson of Chicago and Miss Maureen Orcutt of Englewood, N. J., triumphed. Miss Wilson defeated Mrs. J. B. Rose of Pittsburgh 4-3. Miss Orcutt defeated Miss Frances E. Stebbins of Newton, Mass., 4-up. Other ranking players survived without difficulty.

FIRPO WILL GET TO FIGHT ON SEPT. 11

Belief is Held That Bout With Willis Cannot Now Be Interfered With

WASHINGTON, Sept. 2.—Whatever the outcome of the labor department's investigation of charges on which the deportation of Luis Angel Firpo, Argentine heavyweight boxer, is sought, it was believed in sources close to the department tonight that there was little chance that the proceedings would interfere with his scheduled fight with Harry Willis, negro fighter, Sept. 11.

Assurance that the department was taking every means of expediting its investigation of the charges filed by him and his associates against Firpo was given today by the Rev. William S. Chase of New York today, when he conferred again with Acting Secretary White. Even should the investigation lead to a hearing before an immigration board and a subsequent order for Firpo's deportation, however it was pointed out that he would have recourse to the courts and that thus there probably could be no final determination of the case before September 11th.

Vancouver Professional Wins State Tournament

EVERETT, Wash., Sept. 2.—Dave Black, Vancouver, B. C., professional today won the Washington state open golf championship over the links of the Everett golf and country club when he completed the 72 hole medal play tournament in 290 strokes.

C., professionals, for second place in the main event. Bon Stein, Seattle, was one stroke behind Westland for amateur honors and was tied with Jack Hueston, Seattle for fifth place.

The Beavers twice tied Vernon leads. Rankin Johnson, who relieved Thomas for Vernon in the eighth, pitched fine ball, but was the victim of poor fielding. The Beavers made four doubles.

FLIERS REACH HAWKES BAY

Americans Encounter Good Weather Coming Down Coast of Newfoundland

HARKES BAY, Nfld., Sept. 2.—(By the AP.)—The American world fliers tonight are one step farther in their task of girding the world. The planes of Lieutenant Lowell H. Smith and Lieutenant Erik Nelson are resting on the waters of Hawkes bay, to which point they flew today from Ictickie, Labrador.

Starting in good weather the American airmen drove steadily forward under fine conditions until over Belle Isle straits and along the coast of Newfoundland where they were beset by rain, fog and a 30-mile wind.

With the populace awaiting them the planes broke through the fog and came to the water of Hawkes bay at 3:48 o'clock, eastern standard time, this afternoon, having made the voyage from Labrador in five hours and 45 minutes.

Shortly after coming down Smith and Nelson taxied their craft to the yellow buoys, which, owing to the heavy sea that was running, had been laid on the windward side of Hawkes bay. Within two miles they had tied up.

The airmen spent this evening tuning up their engines and refueling, preparatory to proceeding tomorrow on the next leg of their journey to Picton harbor, Nova Scotia, 420 miles distant. The destroyer Charles Ausburn is standing by the aircraft.

FOOTBALL LOOMS AT WILLAMETTE

Rathbun and Huntington Make Plans For Season—Schedule Announced

Football is beginning to press baseball for space on the sporting page and before long the pigskin will replace the horsehide and occupy the spot light. With Willamette university opening September 15 and Salem high school on September 29, both Coach Rathbun of the Bearcats and Hollis Huntington, of the high school, are beginning to make plans for the season. Both coaches have lost good men through graduation and both have several dependables back for the winter.

Lettermen who will don mole-skin suits for the Bearcats again this season include Hartley, Fashacht, Houston, Findley and Sherwood, linemen; Stolze, line or backfield and Isham, captain and backfield, who has decided to return, though for a while it was expected he would enter a dental college. Those lost through graduation are Patton, Logan and Oliver. Two others, Lillgren and Wilkinson, may not return to school this fall. Under conference ruling practice cannot begin prior to September 15, which leaves but a comparatively few days before the practice game with the University of Oregon on September 27, the first game of the season.

Prospects are bright for the high school this fall, with Coughill, center; Coffey, guard or tackle and Jackson, another heavy lineman, assured from the old team. Other good men were developed in the second team last year and will be given opportunity to show their ability this fall. In the backfield there will be Heedan, Kelley, Noeski, of the regulars and several other good men from the junior high school teams. Only three games have been scheduled so far for the season. The first of these will be one with Albany, at Salem, with a game at Eugene on Armistice Day. The Salem team will play on home grounds for the Turkey Day contest with Corvallis.

The Willamette schedule follows:

- September 27—Oregon at Salem. October 4—Washington at Seattle. October 25—College of Puget Sound at Salem. November 1—College of Idaho at Salem. November 8—Whitman at Walla Walla. November 22—Pacific at Forest Grove.

STREET CAR BILL PUT OFF

(Continued from page 1)

North Seventeenth street was demanded by Alderman Patton, who held that there was something lax in the proceedings of the council that caused so much delay, inasmuch as the petition was received and specifications drawn up nearly a year and a half ago. He was informed by Mayor Giesy that the petition had been received too late to receive action that year, but that the grade had been established and the preliminary work completed. The question of the street car tracks has been responsible for the lack of pavement this year. It was pointed out that Walter Low, street commissioner, cannot begin the paving of the street for nearly two weeks, and that it will take at least 10 days for T. L. Billingsley, superintendent, to obtain the necessary signatures of officials for the bill.

Picketing Bill Silent

The ordinance committee failed to report back on the picketing bill, and only an echo replied to Alderman Vandevort's query of "Why?" Judging from the attitude taken by the council the ordinance will die in the hands of the committee. An ordinance amending the city charter and pro-

viding that artificial water courses in the city limits must be covered by the owners of the courses, was introduced.

Bonds Are Sold Fred Broer's petition to vacate North Fifth to the line of block No. 5 was not granted. A petition to improve Winter from D to Market, was adopted. A resolution obligating the city to repair the cluster light posts, which are owned by the city, was approved.

In a field of four bidders, the Lumbermen's Trust company of Portland, with a premium of \$1254.74, purchased \$20,225.26 worth of street improvement bonds.

The council also authorized the city recorder to issue a warrant in favor of Oscar Steelhammer, director, for \$1500 in payment of the 18 concerts given in Willson park this season by the Cherrian band.

FERGUSON ELEMENT CONTROLS SESSION

Ferguson delegation protested one explaining that it was not necessary to adopt such decisive methods since the Ferguson were in control by five to one. The flaying of the klan continued, however until the job was completed.

A klan voice might be heard occasionally in the early stages of the convention, up by evening there appeared to be left not a single murmur of the organization which has controlled several democratic conventions.

The klan handed in these words in the platform:

"The democratic party of Texas in convention assembled, bodily emphatically and without reservation condemns and denounces what is known as the Invisible Empire and the Ku Klux Klan as an undemocratic anti-christian and un-American organization. We brand its activities in politics and elsewhere as treason against the state and nation and treason against the fundamental principles upon which the government was founded. We call upon all these who have joined this dangerous order through mistake as to its real purpose to withdraw from it and lend their aid to free this country from the strife and trouble which this secret and insidious clique has aroused.
